Mr. Ward stated Resolution 2024-29 was for the Uniform Method of levying, collection and enforcing non-ad-valorem assessments. He noted this was required by statute. He stated if this

TENTH ORDER OF BUSINESS

Consideration of Resolution 2024-30

Consideration of Resolution 2024-30, a Resolution of the Board of Supervisors approving the Fiscal Year 2025 Proposed Budget for and setting a Public Hearing for Tuesday, July 16, 2024, at 3:00 p.m., at the offices of Lennar Homes, 2100 SE 17th Street, Suite 601, Ocala, FL 34471

Mr. Ward indicated Resolution 2024-30 was for the Fiscal Year 2025 budget (October 1, 2024 through September 30, 2025). He explained in order to contemplate putting assessments on the tax rolls next year, he enclosed an assessment rate for operations. He explained this set up a mailed notice process which would go out to all property owners this year. He indicated the assessment for all 1,218 units would be \$102.89 dollars per unit. He noted approval of Resolution 2024-30 did not bind the Board to bill assessments for 2025, it simply set up the process to do so if the Board wished. He asked if there were any questions.

Mr. Wiese asked if mailed notice would go out annually.

Mr. Ward responded in the negative; mailed notice only went out once. He explained the budget would establish a cap rate and if the budget were to go above the cap rate, then mailed notice would need to be sent out again. He explained if the budget remained under the cap rate, mailed notice would not be required.

Mr. Wiese asked if a homesite transferred ownership from Lennar to a homeowner would the mailed notice need to be included in the transfer of ownership, so the new homeowner was made aware.

Mr. Ward: Whoever the property owner is who sells to an end user, specifically developers but basically including even a single property owner, there is a requirement under statute that you disclose the assessment rates for each property owner. Operating and maintenance, you can disclose those as approximate amounts. The debt assessments you have to disclose what they will be not to exceed – that kind of thing. You can always be on the high side for purposes of your developer disclosures, but you can't go under, especially for the debt assessments.

On MOTION made by Ron Wiese, seconded by David Garcia, and with all in favor, Resolution 2024-30 was adopted, and the Chair was authorized to sign.

ELEVENTH ORDER OF BUSINESS

Staff Reports

I. District Attorney

a) New performance recording requirements for CDDs

Mr. Urbancic discussed the new performance recording requirements for CDDs noting the Governor had not signed the Legislation yet, but he believed this would be done. He noted CDDs were now required to establish goals, objectives, and performance measures for any services provided, and then post a report regarding how the CDD did regarding these performance measures on the CDD website. He noted this was basically more red tape.

Mr. Urbancic: We have the validation scheduled. It is May 16 at 1:00 p.m. We are working with the State Attorney. We should have a joint stipulation filed with them which will hopefully significantly shorten the process. We will have that filed, but we would still like to have a developer representative, and Jim if you could be on the Zoom as well, and the engineer, just in case some additional testimony is needed. Hopefully all goes well. I did circulate the Zoom link. I can send it again shortly before the hearing.

Mr. Armstrong: Greg, after the validation date when will we be able to actually apply for the bonds?

Mr. Urbancic: We will be able to issue bonds after that, but there's a 30 day appeal period. We could start working on all the bonding aspects during those 30 days, it's just that we couldn't close the bonds until after that. Realistically you're looking at, at least 30 days, from when we get the final judgment. Sometimes the final judgment will take a day or two or so once we get it. So, thirty days out from that is our first opportunity to "issue bonds" but again the team can start working on things in that interim period.

Mr. Ward: There's a lot of work to get to June 20. It's probably a few months' worth of work, so to the extent that if we want to do that, we kind of need to move at this point.

Ms. Andrea Agha: Does that mean the transfer of the infrastructure into the CDD – when can that happen?

Mr. Ward: It can happen at any time. We can do it before the funding date or on the funding date or after. If it is before the funding date, basically we do a note obligation between the developer and the District. After that it just happens.

Mr. Smith: Just make sure that if you transfer any of the infrastructure that it passes through the CDD ownership on its way to the County.

Mr. Ward: Infrastructure that we are going to transfer to the County needs to be transferred to the CDD first.

II. District Engineer

No report.

III. District Manager

a) Florida Law Changes to Form 1 Filings

b) Board Meeting Dates for Balance of Fiscal Year 2024

i. Public Hearings:

1. Fiscal Year 2025 Budget – July 16, 2024, 3:30 P.M.

c) Financial Statement for period ending March 31, 2024 (unaudited)

Mr. Ward encouraged the Board to complete the ethics training. He noted he would resend the links for free training.

Discussion ensued regarding the ethics training.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the Marion Ranch Community Development District (the “Board”), as follows:

Section 1. Negotiated Limited Offering of 2024 Bonds. The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the 2024 Bonds and secure better interest rates, it is necessary and in the best interest of the District that the 2024 Bonds, in the aggregate principal amount of not exceeding \$17,000,000, be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the 2024 Bonds are not sold pursuant to competitive sales.

Section 2. Purpose. The District has authorized its capital improvement plan for the development of the District, as set forth in the Engineer’s Report, and hereby authorizes the financing of a portion of the acquisition and construction of certain public infrastructure benefiting the assessable lands within the District by issuing the 2024 Bonds to finance a portion of such public infrastructure described in the Engineer’s Report and constituting the 2024 Project. The 2024 Project includes, but is not limited to, public roadway improvements, stormwater drainage facilities including related earthwork, water, sewer and reclaimed water facilities, landscaping, hardscaping and irrigation in public rights of way, differential cost of undergrounding electric utilities, all as more particularly described in the Engineer’s Report.

Section 3. Sale of the 2024 Bonds. Except as otherwise provided in the last sentence of this Section 3, the proposal submitted by the Underwriter offering to purchase the 2024 Bonds at the purchase price established pursuant to the parameters set forth below and on the terms and conditions set forth in the Bond Purchase Contract (attached hereto as Exhibit A), are hereby approved and adopted by the District in substantially the form presented. Subject to the last sentence of this Section 3, the Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. The Bond Purchase Contract, in final form as determined by counsel to the District and the Chairperson, may be executed by the District without further action provided that (i) the 2024 Bonds mature not later than the statutory permitted period; (ii) the principal amount of the 2024 Bonds issued does not exceed \$17,000,000; (iii) the interest rate on the 2024 Bonds shall not exceed the maximum rate permitted under Florida law; (iv) if the 2024 Bonds are subject to optional redemption which determination will be made on or before the sale date of the 2024 Bonds, the first optional call date and the redemption price shall be determined on or before the execution of the Bond Purchase Contract; and (v) the purchase price to be paid by

the Underwriter for the 2024 Bonds is not less than 98% of the par amount of the 2024 Bonds issued (exclusive of any original issuance discount).

Section 4. The Limited Offering Memorandum. The Limited Offering Memorandum, in substantially the form of the Preliminary Limited Offering Memorandum (subject to the other conditions set forth herein) attached hereto as Exhibit B, with such changes as are necessary to conform to the details of the 2024 Bonds and the requirements of the Bond Purchase Contract, is hereby approved. The District hereby authorizes and consents to the use by the Underwriter of a Preliminary Limited Offering Memorandum substantially in the form attached hereto as Exhibit B, in connection with the limited offering of the 2024 Bonds. The final form of a Preliminary Limited Offering Memorandum shall be determined by the Underwriter and the professional staff of the District. The Limited Offering Memorandum may be modified in a manner not inconsistent with the substance thereof and the terms of the 2024 Bonds as shall be deemed advisable by Bond Counsel and counsel to the District, with final approval by the Chairperson. The Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby further authorized to execute and deliver on behalf of the District, the Limited Offering Memorandum and any amendment or supplement thereto, with such changes, modifications and deletions as the member of the Board executing the same may deem necessary and appropriate with the advice of Bond Counsel and counsel to the District, with final approval by the Chairperson, such execution and delivery to be conclusive evidence of the approval and authorization thereof by the District. The District hereby authorizes the Chairperson (or, in the absence of the Chairperson, any other member of the Board) to deem “final” the Preliminary Limited Offering Memorandum except for permitted omissions all within the meaning of Rule 15c2-12 of the Securities Exchange Act of 1934 and to execute a certificate in that regard.

The 2024 Bonds shall mature in the years and in the amounts, bear interest at such rates and be subject to redemption, all as provided in the First Supplemental. The execution of the First Supplemental shall constitute approval of such terms as set forth in the 2024 Indenture and this Resolution. The maximum aggregate principal amount of the 2024 Bonds authorized to be issued pursuant to this Resolution and the 2024 Indenture shall not exceed \$17,000,000.

The 2024 Indenture shall provide for the security of the 2024 Bonds and express the terms of the 2024 Bonds. The First Supplemental shall be substantially in the form attached hereto as Exhibit D and is hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the 2024 Bonds as shall be approved by the Chairperson (or, in the absence of the Chairperson, the Vice Chairperson, or any other member of the Board) executing the same upon the advice of Bond Counsel and counsel to the District, with such execution to constitute conclusive evidence of such officer's approval and the District's approval of any changes therein from the form of the First Supplemental attached hereto as Exhibit D.

BOND PURCHASE CONTRACT

[Pricing Date]

Board of Supervisors
Marion Ranch Community Development District
Marion County, Florida

Dear Ladies and Gentlemen:

FMSbonds, Inc. (the “Underwriter”) offers to enter into this Bond Purchase Contract (the “Purchase Contract”) with Marion Ranch Community Development District (the “District”). The District is located entirely within the unincorporated area of Marion County, Florida (the “County”). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the “Board”), expire at 10:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. **Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its §[PAR] aggregate principal amount of Marion Ranch Community Development District Special Assessment Bonds, Series 2024 (the “Bonds”). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Bonds shall be \$_____ (representing the §[PAR].00 aggregate principal amount of the Bonds, [plus/less net original issue premium/discount] of \$_____ and less an underwriter’s discount of \$_____). The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the “Closing”.

2. **The Bonds.** The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the “Act”), by Ordinance No. 23-33 of the Board of County Commissioners of the County enacted on December 13, 2024 and became effective December 20, 2023 (the “Ordinance”). The Bonds are being issued by the District pursuant to the Act and secured pursuant

to the provisions of a Master Trust Indenture dated as of June 1, 2024 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of June 1, 2024 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”) each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and Resolution No. 2024-21 and No. 2024-__ adopted by the Board of Supervisors of the District (the “Board”) on January 23, 2024 and May 21, 2024, respectively (collectively, the “Bond Resolution”). The Series 2024 Special Assessments comprising the Series 2024 Pledged Revenues for the Bonds have been levied by the District on certain assessable lands within the District specially benefitted by the 2024 Project pursuant to Resolution No. 2024-22, Resolution No. 2024-23 and Resolution No. 2024-28, adopted by the Board on February 20, 2024, February 20, 2024 and April 16, 2024, respectively and a resolution to be adopted by the Board prior to Closing (collectively, the “Assessment Resolutions”).

3. **Limited Offering; Establishment of Issue Price.** It shall be a condition to the District’s obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter’s obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) The District will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Bonds. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in

clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and

(3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

4. **Use of Documents.** Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated [PLOM Date] (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Preliminary Limited Offering Memorandum”) of the District related to the Bonds that the District has deemed final as of its date, except for certain permitted omissions (the “Permitted Omissions”), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (“Rule 15c2-12”) in connection with the limited offering of the Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date and in sufficient time to allow the Underwriter to comply with all requirements of Rule 15c2-12 and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the “MSRB”), a final Limited Offering Memorandum dated the date hereof (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. 2. The names, addresses and estimated amounts of compensation of any person who is not regularly employed by, or not a partner or officer of, the Underwriter, bank, banker, or financial consultant or advisor and who enters into an understanding with either the District or the Underwriter, or both, for any paid or promised compensation or valuable consideration directly, expressly or impliedly, to act solely as an intermediary between the District and the Underwriter for the purposes of influencing any transaction in the purchase of the Bonds are: None.
3. The nature and estimated amounts of expenses to be incurred by the Underwriter in connection with the issuance of the Bonds are set forth in Schedule I attached hereto.

The District is proposing to issue \$[PAR] aggregate amount of the Bonds for the purpose of providing funds, to: (i) pay for the Costs of acquiring and/or constructing a portion of the 2024 Project, (ii) fund interest on the Bonds through at least November 1, 2024, (iii) fund the Series 2024 Reserve Account in an amount equal to the initial Series 2024 Reserve Requirement, and (iv) pay the costs of issuance of the Bonds.

This debt or obligation is expected to be repaid over a period of approximately ____ years. At a true interest rate of _____%, total interest paid over the life of the Bonds will be \$_____.

Re: \$[PAR] Marion Ranch Community Development District (Marion County, Florida) Special Assessment Bonds, Series 2024

Ladies and Gentlemen:

We have acted as counsel to Marion Ranch Community Development District (the “District”), a community development district established and existing pursuant to the Florida Constitution and laws of the State of Florida (the “State”), particularly Chapter 190, Florida Statutes, as amended (the “Act”) and Ordinance No. 23-33 of the Board of County Commissioners of Marion, County Florida (the “County”), effective on December 20, 2023 (the “Ordinance”), in connection with the authorization, issuance and sale by the District of its \$[PAR] Special Assessment Bonds, Series 2024 (the “Bonds”). In that capacity, we are familiar with matters relating to the preparation, execution and delivery of the Master Trust Indenture dated as of June 1, 2024 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of June 1, 2024 (the “First Supplemental Indenture”) (Master Trust Indenture together with the First Supplemental Indenture are sometimes referred to herein as the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”).

The Bonds are being issued under and pursuant to the Constitution and laws of the State, the Act, the Ordinance and Resolution Nos. 2024-21 and 2024-__ adopted by the Board of Supervisors of the District (the “Board”) on January 23, 2024 and May 21, 2024, respectively (collectively, the “Bond Resolution”). Unless the context indicates otherwise, all capitalized terms not otherwise defined herein shall have the respective meanings assigned to them in the Bond Purchase Contract between the District and FMSbonds, Inc. dated [Pricing Date] (the “Bond Purchase Contract”).

In our capacity as counsel to the District, we have examined the Bond Resolution; Resolution No. 2024-22 adopted by the Board on February 20, 2024, Resolution No. 2024-23 adopted by the Board on February 20, 2024, Resolution No. 2024-28 adopted by the Board on April 16, 2024; Resolution No. 2024-__ adopted by the Board on _____, 2024 (collectively, the “Assessment Resolutions”); the Master Special Assessment Methodology prepared by JP Ward and Associates, LLC and dated February 20, 2024, as supplemented by that certain Final First

Supplemental Special Assessment Methodology Report prepared by JP Ward and Associates, LLC dated [Pricing Date]; an opinion of counsel to the Trustee, an opinion of Bond Counsel; certain certifications of the District Manager and District Methodology Consultant; the Final Judgment in Circuit Court Case No. 24-__ -____ dated May __, 2024; and such other documents as we have deemed necessary or appropriate in rendering the opinions set forth below. Additionally, we have examined the Bond Purchase Contract, the Indenture, and Continuing Disclosure Agreement by and among the District, Freedom Commons Development, LLC, a Delaware limited liability company, and JP Ward and Associates, LLC, a Florida limited liability company dated as of [Closing Date] (the “Continuing Disclosure Agreement”) (the Bond Purchase Contract, the Indenture, and Continuing Disclosure Agreement are collectively referred to herein as the “Financing Documents”). Further, we have examined the Agreement regarding the [Acquisition of Certain Work Product, Infrastructure and Real Property by and between the District and Freedom Commons Development, LLC, a Delaware limited liability company] dated [Closing Date] (the “Acquisition Agreement”) [the Completion Agreement dated as of [Closing Date], the Collateral Assignment dated [Closing Date], the True-Up Agreement dated [Closing Date]][Confirm] (the Acquisition Agreement, the Completion Agreement, the Collateral Assignment, and the True-Up Agreement are also sometimes referred to herein as the “Ancillary Agreement”). Additionally, we have assumed: (i) the authenticity of all documents submitted to us as originals and the due authorization, execution and delivery of, the genuineness of the signatures on, and the legal capacity of all parties signing such documents other than the officers of the District executing such documents; and (ii) the conformity to original documents of all copies of such documents submitted to us. We have relied, as to the factual matters contained therein, on the accuracy of the representations of the District and other documentation normally relied on by counsel in rendering such opinions.

With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase “to the best of our knowledge”, the words “to the best of our knowledge” signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. When in this opinion we indicate that opinions are based upon our knowledge, we mean knowledge attributable to our representation of the District, in matters as to which we have devoted substantive attention. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.

Based upon the foregoing and subject to the qualifications set forth below, we are of the opinion that:

1. The District has been duly established and validly exists as a community development district, an independent local unit of special purpose government under applicable Florida law and a political subdivision of the State. The District has such powers as set forth in the Act and other State law with good, right and lawful authority, among other things, (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Bond Purchase Contract, and the Limited Offering Memorandum dated [Pricing Date] for the Bonds (the “Limited Offering Memorandum”); (b) to issue the Bonds for the purposes for which the Bonds are issued; (c) to impose, levy and collect the special assessments securing the payment of the debt service on

the Bonds (the “Series 2024 Special Assessments”) and pledge the Series 2024 Pledged Revenues (as defined in the Indenture) to secure the payment of the debt service on the Bonds as provided in the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolutions; (e) to own and operate the 2023 Project (except to the extent that components thereof are subsequently duly conveyed to other units of government); and (f) to perform the District’s obligations under the terms and conditions of the Bond Resolution, the Assessment Resolutions, the Financing Documents, the Ancillary Agreement, and the Bonds.

2. The Bonds, the Financing Documents and the Ancillary Agreement have been duly authorized, executed and delivered by the District, and assuming due execution by the other party(ies) thereto, if applicable, are valid and binding obligations of the District and are enforceable against the District in accordance with their respective terms, subject to the limitations set forth in this letter. The execution and delivery of the Bonds, Financing Documents and the Ancillary Agreement and compliance with the provisions on the District’s part contained therein will not, to the best of our knowledge, conflict with or constitute a breach of or default, in any material respect, under any applicable constitutional provision or law, or under any administrative regulation, order, writ, injunction, decree of any court or governmental entity or other agreement or instrument to which the District is a party, nor, to the best of our knowledge, will any such execution, delivery, adoption or compliance result in the creation or imposition of any encumbrance of any nature whatsoever upon any of the property or assets of the District, except as expressly provided by the Bonds or the Indenture.

3. The District is not, in any manner material to the issuance of the Bonds, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State or the United States, or to the best of our knowledge, any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement, or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax laws or with any state “Blue Sky” or other securities laws, as may be applicable.

4. The proceedings undertaken by the District with respect to the Series 2024 Special Assessments were undertaken in accordance with Florida law, and the District has taken all necessary action as of the date hereof to levy and impose the Series 2024 Special Assessments. The Series 2024 Special Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Series 2024 Special Assessments are assessed, co-equal with the lien of all State, County, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims (except certain federal liens), until paid.

5. Based upon the fact that we, as registered agent and counsel to the District have not been provided with any written complaint or notice, there is no litigation now pending or, to our best knowledge, threatened against the District (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Series 2024 Special Assessments or the Series 2024 Pledged Revenues pledged

for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Financing Documents, the Ancillary Agreement or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Financing Documents or the Ancillary Agreement, to adopt the Bond Resolution or the Assessment Resolutions or its power to collect and pledge the Series 2024 Pledged Revenues for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

6. To the best of our knowledge, as of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity, required for the adoption of the Bond Resolution and the Assessment Resolutions and the execution and delivery of the Bonds, the Financing Documents and the Ancillary Agreement and for the performance by the District of the transactions contemplated therein, have been duly obtained or made and are in full force and effect; provided, however, that no opinion is expressed regarding the status of any land use, stormwater management or environmental permit, license or other similar governmental regulatory approval or as to the applicability of state “Blue Sky” laws or other tax or securities laws.

7. The District has duly authorized the delivery, and lawful use and distribution of the Preliminary Limited Offering Memorandum dated [PLOM Date], (the “Preliminary Limited Offering Memorandum”), and duly authorized the execution, delivery, use and lawful distribution of the Limited Offering Memorandum (the Preliminary Limited Offering Memorandum together with the Limited Offering Memorandum are collectively referred to herein as the “Limited Offering Memoranda”).

8. To the best of our knowledge, based upon our review of the Limited Offering Memoranda and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the Limited Offering Memoranda, as their respective dates and as of the date hereof, nothing has come to our attention which would lead us to believe that the Limited Offering Memoranda (other than permitted omissions, within the meaning of the Rule, with respect to the Preliminary Offering Memorandum), contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements contained therein, in light of the circumstances under which they were made, not misleading (except for the financial information and statistical data contained in the Limited Offering Memoranda or in the Appendices thereto, the information regarding DTC and its book-entry only system of registration, the information contained under the heading titled “DESCRIPTION OF THE SERIES 2024 BONDS,” “THE DEVELOPMENT,” “THE DEVELOPER,” “TAX MATTERS,” “AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “SUITABILITY FOR INVESTMENT,” “LITIGATION – The Developer,” “NO RATING,” “UNDERWRITING,” “LEGAL MATTERS,” “MISCELLANEOUS,” or any Appendices thereto, all information related to the tax-exempt status of the Bonds, or those matters contained in opinion of Bond Counsel, as to all of which no opinion is expressed).

9. The Bonds are a part of an issue of Bonds that have been validated by a final judgment of the Circuit Court in and for Marion County, Florida, of which no timely appeal was filed.

10. To the best of our knowledge, all conditions precedent to the issuance of the Bonds to be performed by the District, as prescribed in the Indenture, have been fulfilled.

This opinion is solely for the benefit of the addressees and this opinion may not be relied upon in any manner, nor used, by any other persons or entities.

In rendering all of the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof.

Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws relating to or affecting creditors' rights generally heretofore or hereinafter enacted and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), the valid exercise of police powers of the State of Florida and constitutional powers of the United States of America, and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.

The opinions herein are limited to matters of law. The opinions or statements expressed above are based solely on the laws of Florida. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government or of any other state or jurisdiction. We specifically exclude any opinion as to the applicability or effect of any federal or state laws, rules, or regulations relating to taxation (including, but not limited to, the taxation of income) or to the offer or sale of securities or compliance with securities laws or regulations. We express no opinion and make no representations with regard to taxes, assessments (other than as specifically stated above with regard to the Series 2024 Special Assessments) or other financial information or statistical data. No opinion is expressed with regard to any document or agreement not governed by Florida law. In particular, we express no opinion with regard to the exclusion from gross income for federal income tax purposes of interest on the Bonds or with respect to any exemption of the Bonds from the State of Florida intangible personal property tax.

We do not express any opinion as to the applicability of any approvals, consents and orders as may be required under the Blue Sky or securities laws or legal investment laws of any state in connection with the offering and sale of the Bonds or in connection with the registration of the Bonds under the federal securities laws.

The opinions expressed in this letter speak as of the date hereof and are based upon the applicable laws, regulations and ordinances in effect and facts existing as of the date of this letter. In delivering this letter to you, we are not undertaking to apprise you either of any transactions, events or occurrences taking place after the date of this letter of which we may acquire any

knowledge or of any change in applicable laws taking place after the date of this letter which may affect any of our opinions set forth in this letter.

This opinion is rendered solely for the benefit of the addressees of this letter in connection with the issuance and delivery of the Bonds and may not be quoted, relied upon or used in any manner for any other purpose by any other person or entity without our prior written consent. We do consent to the inclusion of a signed copy of our opinion in the closing binder for the Bonds.

Re: \$_____ Marion Ranch Community Development District Special Assessment
Bonds, Series 2024 (the “Bonds”)

Ladies and Gentlemen:

We have acted as special counsel for Freedom Commons Development, LLC, a Delaware limited liability company (“Developer”), which owns the lands within the residential community known as Marion Ranch (“Development”) located within the Marion Ranch Community Development District (“District”), within Marion County, Florida, in connection with the issuance of the District’s above-referenced Bonds (“Bond Transaction”), as described in:

- (a) The Preliminary Limited Offering Memorandum dated [PLOM Date] (“Preliminary Limited Offering Memorandum”); and
- (b) The Limited Offering Memorandum dated [Pricing Date] (the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”), including but not limited to Appendix C of which is the Master Engineer’s Report dated February 20, 2024, as supplemented by the Supplemental Engineer’s Report dated May 21, 2024 (collectively, the “Engineer’s Report”).

This opinion is delivered specifically in connection with the execution and delivery by Developer of the following documents, each of even date herewith, all relating to the Bonds (collectively, the “Developer Documents”), all dated as of [Closing Date] (the “Closing Date”), which we have examined in our limited capacity as special counsel:

- (c) The Declaration of Consent to Jurisdiction of Marion Ranch Community Development District (Imposition of Special Assessments, and Imposition of Lien of Record, 2024 Project) by the Developer;
- (d) Acquisition Agreement to be entered into by and between the District and the Developer;
- (e) the Completion Agreement (2024 Project) to be entered into between the District and the Developer;

- (f) the True-Up Agreement (2024 Project), to be entered into between the District and the Developer;
- (g) the Collateral Assignment and Assumption of Development Rights Relating to the 2024 Project to be entered into by the Developer in favor of the District;
- (h) The Certificate of Developer dated as of the Closing Date (“Certificate of Developer”); and
- (i) The Continuing Disclosure Agreement, dated as of the Closing Date, by and among the District, the Developer and the Dissemination Agent named therein.

Further, we have reviewed the following organizational documents (collectively, the “Developer Organizational Documents”):

- (j) Articles of Organization filed with the Delaware Division of Corporations on _____, 20__, as Document No. _____;
- (k) Operating Agreement of Freedom Commons Development, LLC, a Delaware limited liability company, dated _____, 20__ (“Developer’s Operating Agreement”); and
- (l) Certificate of Active Status, dated _____, 2024, issued by the Florida Secretary of State as to _____, 2024;

Based upon the foregoing, and subject to the assumptions and qualifications set forth herein, we are of the opinion that:

1. The Developer is a Delaware limited liability company, in good standing under the laws of the State of Florida, and authorized to transact business in the State of Florida.
2. The Developer has the power to conduct its business and to undertake the commitments and obligations as described in the Limited Offering Memoranda and to enter into the Developer Documents.
3. The Developer Documents have been authorized by all necessary corporate action, executed and delivered by Developer, and, assuming the due authorization, execution and delivery of each Developer Document by the other parties thereto, the Developer Documents constitute legal, valid and binding obligations of Developer, enforceable in accordance with their respective terms.
4. The execution, delivery, and performance of the Developer Documents by Developer do not violate (a) Developer’s Operating Agreement, (b) to our knowledge, any agreement, instrument or Federal or Florida law, rule or regulation to which Developer is a party or by which Developer’s assets are or may be bound; or (c) to our knowledge, any judgment, decree or order of any administrative tribunal, which judgment, decree, or order is binding on Developer or its assets.

5. The information contained in the Limited Offering Memoranda under the captions “THE 2024 PROJECT,” “THE DEVELOPMENT,” “THE DEVELOPER,” “LITIGATION – The Developer,” and “CONTINUING DISCLOSURE” (as it relates to the Developer only) accurately and fairly presents the information purported to be shown and neither contains any untrue statement of a material fact nor omits to state any material fact necessary to make the statement made therein, in light of the circumstances under which they were made, not misleading as of the respective dates of the Limited Offering Memoranda or as of the date hereof.

6. The Developer is in compliance in all material respects with all provisions of applicable law in all material matters relating to the Developer as described in the Limited Offering Memoranda. Except as described in the Limited Offering Memoranda, including, without limitation, the section thereof entitled “THE DEVELOPMENT”: (a) the Developer has received all government permits required in connection with the development of the Development as described in the Limited Offering Memoranda, other than certain permits, which permits are expected to be received in due course; (b) the Developer is not in default of any zoning condition, land use permit or development agreement which would adversely affect the ability of the Development to be developed and completed as described in the Limited Offering Memoranda; and (c) we have no reason to believe that any permits, consents and licenses required to complete the development of the Developer’s property within the Development as described in the Limited Offering Memoranda will not be obtained in due course as required.

7. The levy of the Series 2024 Special Assessments on the Development will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which Developer is a party or to which Developer or any of its property or assets is subject.

8. There is no pending or threatened litigation which would prevent or prohibit the development of the Development in accordance with the description thereof in the Limited Offering Memoranda and the 2024 Project in accordance with the description thereof in the Engineer’s Report, or which may result in any material adverse change in the business, properties, assets or financial condition of the Developer.

9. The Developer has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. There are no proceedings pending against or threatened in writing before any court or administrative agency relating to Developer which are either not covered by insurance or which singularly or collectively would have a material, adverse effect on the Developer’s ability to perform its obligations under the Developer Documents.

5. The Developer has reviewed and approved the Developer Documents and the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT” and “THE DEVELOPER” and with respect to the Developer and the

8. To the best of my knowledge, the levy of the Special Assessments (as defined in the Developer Documents) on the lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Developer is a party or to which the Developer or any of its property or assets is subject.

9. To the best of my knowledge, the Developer is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Series 2024 Bonds or the District.

3. In connection with the issuance of the Bonds, we have been retained by the District to prepare the Master Special Assessment Methodology dated February 20, 2024, as supplemented by the Supplemental Assessment Methodology for the 2024 Project dated [Pricing Date] (collectively, the “Assessment Methodology”), which Assessment Methodology has been included as an appendix to the Limited Offering Memoranda. We hereby consent to the use of such Assessment Methodology in the Limited Offering Memoranda and consent to the references to us therein.

4. As District Manager, nothing has come to our attention that would lead us to believe that the Limited Offering Memoranda, as they relate to the District, the 2024 Project, or any information provided by us, and the Assessment Methodology, as of their respective dates and as of this date, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

The Assessment Methodology and the assessment methodology set forth therein were prepared in accordance with all applicable provisions of Florida law. As described in more detail in the Assessment Methodology, the benefit to the assessable lands within the District from the 2024 Project equals or exceeds the Special Assessments, and the Special Assessments are fairly and reasonably allocated across all benefitted properties within the District.

7. As District Manager for the District, we are not aware of any litigation pending or, to the best of our knowledge, threatened against the District restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, or the pledge or application of any moneys or security provided for the payment of the Bonds, or the existence or powers of the District.

8. The Special Assessments, as initially levied, and as may be reallocated from time to time as permitted by resolutions adopted by the District with respect to the Special Assessments are sufficient to enable the District to pay the debt service on the Bonds through the final maturity thereof.

MARION RANCH COMMUNITY DEVELOPMENT DISTRICT
(MARION COUNTY, FLORIDA)
SPECIAL ASSESSMENT BONDS, SERIES 2024

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Marion Ranch Community Development District (the “District”) of its \$14,665,000* Special Assessment Bonds, Series 2024 (the “Series 2024 Bonds”).

THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AS AMENDED, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2024 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and Ordinance No. 23-33 enacted by the Board of County Commissioners of Marion County, Florida (the “County”) on December 13, 2024 and became effective December 20, 2023. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 324.87+/- gross acres of land (the “District Lands”) located within the unincorporated area of Marion County, Florida (the “County”). The District Lands are being developed as a 1,088 unit master planned residential community to be known as “Marion Ranch” (the “Development”). Land development associated with the Development will occur in phases. Phase one of the Development is expected to contain 156 townhome lots (“Phase One”). Phase two of the Development is expected to contain 166 single-family lots (“Phase Two”). Phase three and phase four of the Development will be developed simultaneously and are expected to contain 280 single-family lots (“Phase Three and Phase Four”). Phase five of the Development is expected to contain 216 single-family lots (“Phase Five”). Phase six of the Development is expected to contain 270 single-family lots (“Phase Six”) See “THE DEVELOPMENT – Development Plan/Status” herein for more information.

The Series 2024 Bonds are being issued to finance a portion of the 2024 Project (as hereinafter defined). The Series 2024 Bonds will be secured by the Series 2024 Special Assessments, which are levied on the 322 platted lots within the Development and, initially, the remaining acreage within the District until

* Preliminary, subject to change.

such time as the remaining 766 planned lots within the Development are platted. As platting of such remaining 766 planned lots within the Development occurs, the Series 2024 Special Assessments will be assigned to such platted lots on a first platted, first assigned basis as set forth in the Assessment Methodology hereto. See “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto and “THE DEVELOPMENT – Taxes, Fees and Assessments” herein for more information

Freedom Commons Development, LLC, a Delaware limited liability company (the “Developer”), is the primary landowner and developer of the Development. The Developer is selling developed lots to builders who intend to market and construct homes for sale to homebuyers. As more particularly described below, the Developer has entered into contracts with (i) Lennar Homes, LLC (“Lennar Homes”) for the sale of [668/672] developed lots, (ii) Pulte Home Company, LLC (“Pulte”) for the sale of 150 developed lots, and (iii) Maronda Homes, LLC of Florida (“Maronda” and, together with Lennar Homes and Pulte, the “Builders”) for the sale of 270 developed lots (collectively, the “Builder Contracts”). See “THE DEVELOPMENT — Builder Contracts” and “BONDOWNERS’ RISKS” for more information on the Builders and the Builder Contracts. As of May __, 2024, Lennar Homes has closed on [85] lots, Pulte has closed on [20] lots and the Developer owns the remaining [983] lots.. See “THE DEVELOPMENT” and “THE DEVELOPER” herein for more information.

The Series 2024 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2024-21 and No. 2024-__ adopted by the Board of Supervisors of the District (the “Board”) on January 23, 2024, and May 21, 2024, respectively (collectively, the “Bond Resolution”), and a Master Trust Indenture dated as of June 1, 2024 (the “Master Indenture”), as supplemented by a First Supplemental Trust Indenture dated as of June 1, 2024 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (“the Trustee”). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE” herein for more information.

Proceeds of the Series 2024 Bonds will be used to provide funds for (i) the Costs of acquiring and/or constructing all or a portion of the 2024 Project, (ii) the funding of interest on the Series 2024 Bonds through at least November 1, 2024, (iii) the funding of the Series 2024 Reserve Account in an amount equal to the initial Series 2024 Reserve Requirement (as hereinafter defined) and (iv) the payment of the costs of issuance of the Series 2024 Bonds. See “THE 2024 PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2024 Bonds will be secured by a pledge of the Series 2024 Pledged Revenues. “Series 2024 Pledged Revenues” shall mean (a) all revenues received by the District from the Series 2024 Special Assessments (as hereinafter defined) levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the Development, the 2024 Project, summaries of certain terms of the Series 2024 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes, and all references to the Series 2024 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. The proposed forms of the Master Indenture and First Supplemental Indenture appear in APPENDIX A hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

Interest on the Series 2024 Bonds will be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to November 1, 2024, in which case from the date of initial delivery, or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Redemption Provisions

Optional Redemption. The Series 2024 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days’ notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed,

plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Mandatory Sinking Fund Redemption. The Series 2024 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2024 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (taking into account the credit from the Series 2024 Reserve Account pursuant to the First Supplemental Indenture) following a Prepayment in whole or in part of the Series 2024 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture;

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2024 Rebate Fund, the Series 2024 Costs of Issuance Account and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture;

(iii) from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the 2024 Project (including any amounts transferred from the Series 2024 Reserve Account) all of which have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase any Series 2024 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be given by Electronic Means or mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2024 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2024 Bonds for which notice was duly mailed in accordance with the Indenture. The District shall, when it is directing the Trustee to mail such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice pursuant to the Indenture.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2024 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited. If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Series 2024 Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Series 2024 Bonds for which such funds are sufficient, selecting the Series 2024 Bonds to be redeemed randomly from among all such Series 2024 Bonds called for redemption on such date, and among different maturities of Series 2024 Bonds in the same manner as the initial selection of Series 2024 Bonds to be redeemed, and from and after such redemption date, interest on the Series 2024 Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Series 2024 Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Series 2024 Bonds not been called for redemption.

Purchase of Series 2024 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2024 Sinking Fund Account to the purchase of Series 2024 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law,

a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2024 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2024 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2024 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE OWNERS OR HOLDERS OF THE SERIES 2024 BONDS OR REGISTERED OWNERS OF THE SERIES 2024 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

The District can make no assurances that DTC will distribute payments of principal of, redemption price, if any, or interest on the Series 2024 Bonds to the Direct Participants, or that Direct and Indirect Participants will distribute payments of principal of, redemption price, if any, or interest on the Series 2024 Bonds or redemption notices to the Beneficial Owners of such Series 2024 Bonds or that they will do so on a timely basis, or that DTC or any of its Participants will act in a manner described in this Limited Offering Memorandum. The District is not responsible or liable for the failure of DTC to make any payment to any Direct Participant or failure of any Direct or Indirect Participant to give any notice or make any payment to a Beneficial Owner in respect to the Series 2024 Bonds or any error or delay relating thereto.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS

General

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2024 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE “STATE”), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2024 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2024 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2024 BONDS. THE SERIES 2024 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2024 Bonds will be secured by a pledge of the Series 2024 Pledged Revenues. “Series 2024 Pledged Revenues” shall mean (a) all revenues received by the District from the Series 2024 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The “Series 2024 Special Assessments” shall mean the Special Assessments levied on the assessable lands within the District as a result of the District’s acquisition and/or construction of the 2024 Project. The Series 2024 Special Assessments correspond in amount to the debt service on the Series 2024 Bonds and are designated as such in the Assessment Methodology (as hereinafter defined). The Assessment Methodology, which describes the methodology for allocating the Series 2024 Special Assessments to the assessable lands within the Development, is included as APPENDIX D hereto. The Series 2024 Special Assessments were levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2024 Special Assessments will constitute a lien against the land as to which the Series 2024 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2024 Special Assessments are levied on the 322 platted lots within the Development and, initially, the remaining acreage within the District until such time as the remaining 766 planned lots within the Development are platted. As platting of such

remaining 766 planned lots within the Development occurs, the Series 2024 Special Assessments will be assigned to such platted lots on a first platted, first assigned basis. Assuming that all of the planned 1,088 residential units within the Development are developed and platted, then the Series 2024 Special Assessments will be allocated on the per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

⁽¹⁾ Preliminary, subject to change.

⁽²⁾ This amount will be grossed up to include early payment discounts and County collection fees, currently 7%.

⁽³⁾ Pursuant to the Builder Contracts, the Developer will, at the time of closing on lots with the Builders, prepay a portion of the Series 2024 Special Assessments on lots in Phases Three, Four, Five and Six to bring the annual assessment levels to approximately \$640 per 40’ lot, \$800 per 50’ lot, and \$960 per 60’ lot. The total expected prepayment will be approximately \$4,065,000 (preliminary, subject to change).

The District anticipates levying assessments to cover its operation and maintenance costs that are initially expected to be approximately \$102.89 per residential unit annually, which amount is subject to change. In addition, residents within the Development will be required to pay homeowners association fees, currently estimated to be \$_____ per residential unit annually, which amounts are subject to change. [Will there be an amenity fee?] The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2023 was approximately 15.7633 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Marion County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by any Special Assessments on assessable land within the District which secure the Series 2024 Special Assessments, until the Series 2024 Special Assessments are Substantially Absorbed. “Substantially Absorbed” means the date at least 90% of the principal portion of the Series 2024 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The District’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with

other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The District shall present the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on same land within the District upon which the Series 2024 Special Assessments have been levied at any time upon the written consent of the Majority Holders or at any time without any such consent if Special Assessments are levied on any lands within the District which are not subject to the Series 2024 Special Assessments.

Covenant Against Sale or Encumbrance

In the Indenture, the District will covenant that (a) except for those improvements comprising the 2024 Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the 2024 Project or any part thereof. See “APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE” herein for more information.

Series 2024 Reserve Account

The Indenture establishes a Series 2024 Reserve Account within the Debt Service Reserve Fund for the Series 2024 Bonds. The Series 2024 Reserve Account will, at the time of delivery of the Series 2024 Bonds, be funded from a portion of the net proceeds of the Series 2024 Bonds in an amount equal to the initial Series 2024 Reserve Requirement. “Series 2024 Reserve Requirement” or “Reserve Requirement” shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2024 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions (as defined below), the Series 2024 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2024 Bonds. “Release Conditions” shall mean all of the following: (a) all of the principal portion of the Series 2024 Special Assessments has been assigned to residential units that have each received a certificate of occupancy; and (b) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the provisions of the First Supplemental Indenture. If a portion of the Series 2024 Bonds are redeemed pursuant to the certain provisions of the First Supplemental Indenture, the Reserve Requirement shall be recalculated after taking into account such extraordinary mandatory redemption. Any amount in the Series 2024 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2024 Bonds be used to pay principal of and interest on the Series 2024 Bonds at that time. The initial Series 2024 Reserve Requirement shall be equal to \$_____.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2024 Bonds caused by investment earnings prior to the Completion Date to the Series 2024 Acquisition and Construction Account and after the Completion Date to the Series 2024 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments (as a result of non-payment of the Series 2024 Special

Assessments) and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2024 Reserve Account shall be transferred by the Trustee to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition to the District submitted by the Developer, which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2024 Reserve Requirement, the Trustee shall without further direction reduce the Series 2024 Reserve Requirement to ten percent (10%) upon satisfaction of the Release Conditions of the maximum annual debt service of the then Outstanding principal amount of the Series 2024 Bonds as calculated by the District Manager. The excess amount in the Series 2024 Reserve Account as a result of the satisfaction of the Release Conditions shall be transferred to the Series 2024 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In the event of an extraordinary mandatory redemption pursuant to the First Supplemental Indenture, the District Manager shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2024 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2024 Reserve Account is less than the applicable Series 2024 Reserve Requirement as a result of the Trustee

withdrawing an amount therefrom to satisfy the Series 2024 Reserve Requirement and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Series 2024 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding November 1, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2025, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amounts on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the May 1, which is a principal payment date for any Series 2024 Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2024 Revenue Account to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Requirement for the Series 2024 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in any Series Account within the Debt Service Fund, the Series 2024 Bond Redemption Account and the Series 2024 Reserve Account only in Government Obligations and other securities described in the definition of Investment

Securities set forth in the Master Indenture. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2024 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it pursuant to the Indenture invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of the Master Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any Fund or Account if no activity occurred in such Fund or Account during such month. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

Covenant to Levy the Series 2024 Special Assessments

The District has covenanted to levy the Series 2024 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2024 Bonds when due. If any Series 2024 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2024 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2024 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2024 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account. In case such second Series 2024 Special Assessment shall be annulled, the District shall obtain and make other Series 2024 Special Assessments until a valid Series 2024 Special Assessment shall be made.

Prepayment of Series 2024 Special Assessments

Pursuant to the Assessment Proceedings, an owner of property subject to the Series 2024 Special Assessments may pay all or a portion of the principal balance of such Series 2024 Special Assessments at any time, provided that a partial prepayment can only occur once, if there is also paid an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2024 Bonds, or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date.

Pursuant to the Act, an owner of property subject to the levy of Series 2024 Special Assessments may pay the entire balance of the Series 2024 Special Assessments remaining due, without interest, within thirty (30) days after the 2024 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2024 Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the owner of the property within the District, will covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2024 Bonds.

Any prepayment of Series 2024 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2024 Bonds as indicated under “DESCRIPTION OF THE SERIES 2024 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2024 Special Assessments does not entitle the owner of the property to a discount for early payment.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

For purposes of this heading, (a) each Series of Bonds, including the Series 2024 Bonds, secured by and payable from Special Assessments, including the Series 2024 Special Assessments, levied against property owned by any Insolvent Taxpayer (as defined below) are collectively referred to herein as the “Affected Bonds” and (b) the Special Assessments levied against any Insolvent Taxpayer’s property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the “Affected Special Assessments.”

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments, which includes the Series 2024 Special Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Affected Bonds, which includes the Series 2024 Bonds, remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least ten percent (10%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District acknowledges and agrees that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation,

notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Master Indenture; (b) to the extent permitted by applicable law, the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2024 Special Assessments relating to the Series 2024 Bonds Outstanding whether such claim is pursued by the District or the Trustee.

Events of Default and Remedies

Events of Default Defined. The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2024 Bonds:

- (a) if payment of any installment of interest on any Series 2024 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2024 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2024 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2024 Reserve Account is less than the Series 2024 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement of the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District Lands upon which the Series 2024 Special Assessments are levied to secure the Series 2024 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series 2024 Bonds shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2024 Bonds pursuant to the Indenture shall occur unless all of the Series 2024 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2024 Bonds agree to such redemption; provided that in no event shall this provision preclude any partial distribution under the provisions of the Master Indenture.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2024 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2024 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2024 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2024 Bondholders and to perform its or their duties under the Act;

- (b) bring suit upon the Series 2024 Bonds;
- (c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2024 Bonds;
- (d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2024 Bonds; and
- (e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2024 Bonds.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the applicable provisions of the Indenture.

The District hereby agrees that it shall seek to secure the written direction of the Trustee, acting at the direction of the Majority Holders of the Series 2024 Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any proceedings or in any action related to a proceeding that affects, either directly or indirectly, the Series 2024 Assessments relating to the Series 2024 Bonds Outstanding, or any rights of the Trustee under the Indenture. However, the Trustee shall be deemed to have consented, on behalf of the Majority Holders of the applicable Series of Bonds Outstanding, to the proposed action if the District does not receive written direction from the Trustee within sixty (60) days or which shorter amount of time as would be required to comply with the ruling of the applicable court following receipt by the Trustee of the written request for direction.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds is the collection of Series 2024 Special Assessments imposed on the assessable lands within the District specially benefited by the 2024 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D: ASSESSMENT METHODOLOGY.”

The imposition, levy, and collection of Series 2024 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Marion County Tax Collector (“Tax Collector”) or the Marion County Property Appraiser (“Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Special Assessments during any year. Such delays in the collection of Series 2024 Special Assessments, or complete inability to collect the Series 2024 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the Series 2024 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection

procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Series 2024 Special Assessments to be valid, the Series 2024 Special Assessments must meet two requirements: (1) the benefit from the 2024 Project to the lands subject to the Series 2024 Special Assessments must exceed or equal the amount of the Series 2024 Special Assessments; and (2) the Series 2024 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Methodology Consultant, to be delivered at closing of the Series 2024 Bonds, will certify that these requirements have been met with respect to the Series 2024 Special Assessments. In the event that the Series 2024 Special Assessments are levied based on the assumptions that future contributions will be made, the Series 2024 Special Assessments may need to be reallocated in the event such contributions are not made.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2024 Special Assessments through a variety of methods. See “BONDOWNERS’ RISKS.” Initially, and for undeveloped properties owned by the Developer and subsequent landowners, the District will directly issue annual bills to landowners requiring payment of the Series 2024 Special Assessments and will enforce that bill through foreclosure proceedings. See “Assessment Methodology” and “APPENDIX D: ASSESSMENT METHODOLOGY.” As lands are developed, the Series 2024 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

THERE CAN BE NO ASSURANCE THAT ANY SALE OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Chapter 170, *Florida Statutes*, provides that the Series 2024 Special Assessments constitute a lien on the real property within the District co-equal with all State, County, district and municipal taxes, superior in dignity to all other liens, titles and claims on such real property except for certain federal tax liens, until paid, and that the Series 2024 Special Assessments may be collected as and when needed in an amount sufficient to pay the principal of and interest on the Series 2024 Bonds when due. ALTHOUGH THE LIEN AND THE PROCEEDS OF THE SERIES 2024 SPECIAL ASSESSMENTS WILL SECURE THE SERIES 2024 BONDS, AND SAID LIEN AND PROCEEDS OF THE SERIES 2024 SPECIAL ASSESSMENTS ARE PLEDGED TO THE SERIES 2024 BONDS, THE LIEN OF THE SERIES 2024 SPECIAL ASSESSMENTS MAY BE ON THE SAME PROPERTY AS, AND THEREFOR OVERLAP AND BE CO-EQUAL WITH, THE LIENS IN FAVOR OF OTHER ASSESSMENTS AND/OR TAXES WHICH HAVE BEEN OR MAY BE IMPOSED BY THE DISTRICT, THE COUNTY OR OTHER UNITS OF LOCAL GOVERNMENT HAVING ASSESSMENT POWERS WITHIN THE DISTRICT.

Collection and Enforcement of Assessments; Uniform Method Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, the Series 2024 Special Assessments levied on platted lots and pledged to secure the Series 2024 Bonds shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635, *Florida Statutes*, (the “Uniform Method”) unless the District is directed otherwise by the Trustee, acting at the direction of the Majority Holders of the Outstanding Series 2024 Bonds or the timing for using the Uniform Method will not allow for using such method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax

Collector and Property Appraiser providing for the Series 2024 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2024 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, “Taxes and Assessments”), all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2024 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2024 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service requirements on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of “tax certificates,” as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2024 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of “tax certificates” and remittance of the proceeds of such sale to the District for payment of the Series 2024 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court (the "Clerk"), the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees

of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the Clerk shall enter the land on a list entitled “lands available for taxes” and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Special Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See “BONDOWNERS’ RISKS.”

Collection and Enforcement of Assessments; Direct Billing & Foreclosure Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, Series 2024 Special Assessments levied on unplatted lots or lands and pledged to secure the Series 2024 Bonds shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method (discussed hereinbelow), in each case unless the District is directed otherwise by the Trustee, acting at the direction of the Majority Holders of the Outstanding Series 2024 Bonds. Any amount of Series 2024 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date.

As noted above, and pursuant to Chapters 170 and 190, Florida Statutes, the District may directly levy, collect and enforce the Series 2024 Special Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2024 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens.

Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Special Assessments and the ability to foreclose the lien of such Series 2024 Special Assessments upon the failure to pay such Series 2024 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Special Assessments. See “BONDOWNERS’ RISKS.”

Certain mortgage lenders have, in recent foreclosure initiated pursuant to Section 170.10, Florida Statutes, alleged in defense that a community development district foreclosing on land subject to an assessment lien must wait a minimum of one (1) year from the date that any assessment or installment thereof, becomes delinquent. At least one (1) Circuit Court is known to have concluded that a community development district is authorized to foreclose pursuant to Chapter 170, Florida Statutes, and, therefore, is not required to wait a minimum of one (1) year; however, the District cannot guarantee the outcome of any legal proceeding in which a similar defense is pled.

BONDOWNERS’ RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings in this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

1. As of the date hereof, the Developer is the primary owner of the lands within the District, which are the lands that will be initially subject to the Series 2024 Special Assessments securing the Series 2024 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” herein.

2. Payment of the Series 2024 Special Assessments is primarily dependent upon their timely payment by the Developer and subsequent landowners in the District. See “THE DEVELOPER” herein. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2024 Bonds as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner being able to pay the Series 2024 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Developer or an entity affiliated with the Developer until such time lots are platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. In addition, the

remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Special Assessments and the ability of the District to foreclose the lien of the Series 2024 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

3. The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Special Assessments. The Series 2024 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners within the District will be able to pay the Series 2024 Special Assessments or that they will pay such Series 2024 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2024 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the 2024 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2024 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2024 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2024 Special Assessments, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2024 Bonds.

4. The development of the Development is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the Development and the 2024 Project. See "THE DEVELOPMENT – Zoning and Permitting," and "– Environmental" herein for more information. Moreover, the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

5. The value of the lands in the District could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic

events could potentially render the District lands unable to support the development of the lands in the District. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

6. The successful sale of the residential units, once such homes are built within the District may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market, the ability to obtain homeowner's insurance and other factors beyond the control of the Developer.

7. Neither the Developer nor any other subsequent landowner within the District has any contractual obligation to pay the Series 2024 Special Assessments. As described herein, the Series 2024 Special Assessments are an imposition against the land only. Neither the Developer nor any other subsequent landowner is a guarantor of payment of any Series 2024 Special Assessment and the recourse for the failure of the Developer or any other landowner to pay the Series 2024 Special Assessments is limited to the collection proceedings against the land as described herein.

8. The willingness and/or ability of an owner of specially benefited land to pay the Series 2024 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Special Assessments. In addition, lands within the District will also be subject to assessments by property and homeowner associations.

9. The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2024 Bonds. Because the Series 2024 Bonds are being sold pursuant to exemptions from registration under applicable securities laws, no secondary market may develop and an owner may not be able to resell the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors.

10. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2024 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2024 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" and "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. If the District has difficulty in collecting the Series 2024 Special Assessments, the Series 2024 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover,

the District may not be permitted to re-assess real property then burdened by the Series 2024 Special Assessments in order to provide for the replenishment of the Series 2024 Reserve Account.

11. The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors. Should such land be contaminated by hazardous materials, this could materially and adversely affect the value of the lands, which could materially and adversely affect the success of the development of the Development and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under “THE DEVELOPMENT – Environmental,” the Developer will represent that it is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Developer’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or surrounding areas and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the District lands.

12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2024 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2024 Special Assessment even though the landowner is not contesting the amount of the Series 2024 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS conducted a lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July

14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that such districts must have public electors within five or six years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the District. The District has not yet reached the minimum threshold of 250 qualified electors required under the Act to begin electing qualified electors to the Board. Currently, all of the current members of the Board are employees of, or affiliated with, the Developer. The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS

with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

14. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

15. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2024 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2024 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2024 Bonds. See also “TAX MATTERS.”

16. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.16(14) of the Act provides

in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

17. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2024 Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the 2024 Project. Further, pursuant to the First Supplemental Indenture, the District covenants not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District covenants not to issue any other Bonds or debt obligations secured by Special Assessments on assessable lands within the District that are subject to the Series 2024 Special Assessments unless the Series 2024 Special Assessments levied within the District have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same land within the District upon which the Series 2024 Special Assessments have been levied at any time upon the written consent of the Majority Holders or at any time without any such consent if Special Assessments are levied on any lands within the District which are not subject to the Series 2024 Special Assessments. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations” for more information. The Developer will enter into a completion agreement with the District with respect to any unfinished portions of the 2024 Project not funded with the proceeds of the Series 2024 Bonds. The Developer will execute and deliver to the District a collateral assignment agreement, pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the 2024 Project. Notwithstanding such collateral assignment agreement, in the event the District forecloses on the lands subject to the Series 2024 Special Assessments as a result of the Developer’s or subsequent landowners’ failure to pay such assessments, there is a risk that the District or its designee will not have all permits and entitlements necessary to complete the development of the Development. All such obligations of the Developer are unsecured obligations. See “THE 2024 PROJECT” and “THE DEVELOPMENT” herein for more information.

18. The Builders (as defined herein), who have each agreed to purchase from the Developer a portion of the District that will be developed into lots, have the right to terminate their respective Builder Contracts (as defined herein) in the event that certain conditions are not met, including without limitation the completion of development of the 2024 Project. If the Builders do not complete their purchase and residential units are not built and sold to homebuyers, the burden for payment of the Series 2024 Special Assessments with respect to any unsold portions of the District will lie solely with the Developer and/or any subsequent landowner(s) in the District, if and to the extent applicable. See “THE 2024 PROJECT” and “THE DEVELOPMENT – Builder Contracts” herein for more information.

19. In the event a bank forecloses on property within the District because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will likely not, pursuant to its own rules and regulations, be liable to pay the Series 2024 Special Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action.

20. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber

threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2024 Bonds.

21. The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, the purchase of lots therein by Lennar Homes and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs.

22. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2024 Special Assessments by owners of the property within the District. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and initial owners of any Premium Bonds (as defined herein) would receive less than the price they paid for the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments" herein for more information.

THE DISTRICT

General Information

The District was established by Ordinance No. 23-33 enacted by the Board of County Commissioners of the County on December 13, 2024 and became effective December 20, 2023. The boundaries of the District include approximately 324.87+/- gross acres of land (the “District Lands”) located entirely within the unincorporated area of the County. The District is being developed as a residential planned development in phases and is planned to contain approximately 1,097 residential units at build-out consisting of 236 townhome units and 861 single-family detached units. See “THE DEVELOPMENT” herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors, as the governing body (the “Board”), the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2024 Bonds.

Board of Supervisors

The Board is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Chris Armstrong*	Chairperson	November, 2028
Andrea Agha*	Vice Chairperson	November, 2026
Alec Morris*	Assistant Secretary	November, 2028
Ron Wiese*	Assistant Secretary	November, 2026
David Garcia *	Assistant Secretary	November, 2026

* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida’s open meeting or “Sunshine” law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained JPWard and Associates, LLC, Fort Lauderdale, Florida, to serve as its district manager (“District Manager”). The District Manager’s office is located at 2301 Northeast 37th Street, Fort Lauderdale, Florida 33308.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Tillman & Associates Engineering, LLC, Ocala, Florida, as District Engineer; and Coleman, Yovanovich & Koester, P.A., Naples, Florida, as District Counsel. The Board has also retained the District Manager to serve as methodology consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2024 Bonds.

No Existing Indebtedness

The District has not previously issued any other bonds or indebtedness.

THE 2024 PROJECT

The District Lands encompass approximately 324.87+/- gross acres and are currently being developed as a 1,088 unit master planned residential community to be known as “Marion Ranch” and referred to herein as the “Development.” Tillman & Associates Engineering, LLC (the “District Engineer”) prepared a report entitled Master Engineer’s Report dated February 20, 2024 (the “Master Engineer’s Report”), as supplemented by a report entitled Supplemental Engineer’s Report dated May 21, 2024 (the “Supplemental Engineer’s Report” and, together with the Master Engineer’s Report, the “Engineer’s Report”), which sets forth certain public infrastructure improvements necessary to develop the 1,088 residential units planned for the Development (the “2024 Project”).

The Series 2024 Bonds are being issued to finance a portion of the 2024 Project. The District Engineer, in the Engineer’s Report, estimates the total cost to complete the 2024 Project to be approximately \$57,907,751, as more particularly described below. See “APPENDIX C – ENGINEER’S REPORT” for more information.

Land development associated with the Development is being completed in phases. Land development associated with the 322 lots which comprise Phase One and Phase Two (as such terms are hereinafter defined) is [substantially complete/complete][Confirm]. Final plats for the 322 lots which comprise Phase One and Phase Two were recorded on December 19, 2023 and October 17, 2023, respectively. Land development associated with the 280 lots which comprise Phase Three and Phase Four (as such terms are hereinafter defined) is underway and expected to be completed by January 2025. Land development associated with the 216 lots which comprise Phase Five and the 270 lots which comprise Phase Six (as such terms are hereinafter defined) is expected to be completed by June 2026 and January 2026, respectively. As of May __, 2024, approximately [\$17.71] million has been spent on land development costs associated with the Development, a portion of which includes the 2024 Project. See “THE DEVELOPMENT – Development Plan/Status” herein for more information.

The net proceeds of the Series 2024 Bonds to be deposited into the Series 2024 Acquisition and Construction Account will be approximately \$12.23* million and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2024 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the 2024 Project not funded with proceeds of the Series 2024 Bonds. See “BONDOWNERS’ RISKS No. 17” herein.

* Preliminary, subject to change.

The District Engineer has indicated that all engineering permits necessary to construct the 2024 Project have either been obtained or are reasonably expected to be obtained in the ordinary course of business. See “APPENDIX C – ENGINEER’S REPORT” for more information.

The information appearing below under the captions “THE DEVELOPMENT” and “THE DEVELOPER” has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. Neither the Developer nor any other party is guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 324.87+/- gross acres of land located within the unincorporated area of Marion County, Florida (the “County”) and are currently being developed as a 1,088 unit master planned residential community to be known as “Marion Ranch” and referred to herein as the “Development.” The Development is bounded by SW 85th Street to the south, SW 80th Street to the north, SW 49th Avenue to the west and SW 40th Avenue to the east. Interstate-75 is approximately one quarter (1/4th) mile east of the Development. Set forth below is a map which depicts the location of the Development.

The Series 2024 Bonds are being issued to finance a portion of the 2024 Project. The Series 2024 Bonds will be secured by the Series 2024 Special Assessments, which are levied on the 322 platted lots within the Development and, initially, the remaining acreage within the District until such time as the remaining 766 planned lots within the Development are platted. As platting of such remaining 766 planned lots within the Development occurs, the Series 2024 Special Assessments will be assigned to such platted lots on a first platted, first assigned basis as set forth in the Assessment Methodology hereto. See “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto and “– Taxes, Fees and

Assessments” herein for more information. Final plats for the 322 lots which comprise Phase One and Phase Two were recorded on December 19, 2023 and October 17, 2023, respectively.

Freedom Commons Development, LLC, a Delaware limited liability company (the “Developer”), is the primary landowner and developer of the Development. The Developer is selling developed lots to builders who intend to market and construct homes for sale to homebuyers. See “THE DEVELOPMENT — Builder Contracts” and “BONDOWNERS’ RISKS” for more information on the Builders and the Builder Contracts. As of May __, 2024, Lennar Homes has closed on [85] lots, Pulte has closed on [20] lots and the Developer owns the remaining [983] lots.

Sales of residential units within the Development commenced in February 2024, and closings with homebuyers [are expected to commence/commenced] in [May 2024]. As of May __, 2024, approximately [____] residential units within the Development have sold and closed with a homebuyer and an additional [18] residential units are under contract pending closing. The Development is planned to contain 1,088 residential units, consisting of (i) 156 townhome units, (ii) 311 single-family homes on forty-foot (40’) lots, (iv) 469 single-family homes on fifty-foot (50’) lots, and (v) 152 single-family homes on sixty-foot (60’) lots. Starting selling prices for townhomes are expected to range \$250,999 to \$261,999 and range in square feet from approximately 1,707 square feet to 1,782 square feet. Starting selling prices for single-family homes are expected to range \$269,990 to \$_____ and range in square feet from approximately 1,663 square feet to 3,416 square feet. The target customers for residential units within the Development is first-time homebuyers and move-up homebuyers. See “—Residential Product Offerings” herein for more information.

Land Acquisition and Finance Plan

The Developer acquired the lands within the Development in two separate transactions on July 30, 2021, and August 20, 2021, respectively, for an aggregate purchase price of approximately \$7.9 million, which was paid for partially with a Note dated July 30, 2021 (the “Note”) and the remaining portion with Armstrong Brothers (as hereinafter defined) equity. The Note is provided by Fidelity Land, LLC, in the principal amount of \$18,480,592, which is currently outstanding in the amount of \$_____. The Note is secured by a mortgage on the Development and guaranteed by Armstrong Brothers. The Note is scheduled to mature on June 30, 2026. [Please provide the Credit Agreement dated June 25, 2021]

The total land development costs associated with the Development are expected to be approximately \$57.91 million. As of May __, 2024, approximately [\$17.71] million has been spent on land development costs associated with the Development, a portion of which includes the 2024 Project. The net proceeds of the Series 2024 Bonds to be deposited into the Series 2024 Acquisition and Construction Account will be approximately \$12.23* million and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2024 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the 2024 Project not funded with proceeds of the Series 2024 Bonds. See “BONDOWNERS’ RISKS – No 17” herein.

* Preliminary, subject to change.

A final plat for the 216 single-family lots planned for Phase Five is expected to be recorded by _____ 20__. Lennar Homes is the sole homebuilder for Phase Five.

Phase Six. Phase six of the Development is planned to consist of 270 single-family lots (“Phase Six”). Land development associated with Phase Six is expected to commence in January 2025 and is expected to be completed by January 2026. A final plat for the 270 single-family lots planned for Phase Six is expected to be recorded by _____ 20__. Maronda is the sole homebuilder for Phase Six.

Sales and vertical construction of residential units within the Development commenced in February 2024, and closings with homebuyers [are expected to commence/commenced] in May 2024. As of May __, 2024, approximately [__] residential units within the Development has sold and closed with a homebuyer and an additional [18] residential units are under contract pending closing. Approximately [67] residential units within the Development are currently under construction.

It is expected that approximately 120 residential units within the Development will be delivered to homebuyers per annum until buildout. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and

are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Builder Contracts

The Developer has entered into the following Builder Contracts to sell all of the 1,088 lots planned within the Development:

Lennar Homes. The Developer has entered into an Agreement for the Purchase and Sale of Real Property (Freedom Commons) dated May 4, 2021, as amended and supplemented from time to time (the “Phase I Lennar Contract”), with Lennar Homes, LLC, a Florida limited liability company (“Lennar Homes”). The purchase price per single-family lot shall increase by 6% per annum commencing after the initial takedown. In connection therewith, Lennar Homes made a deposit of \$100,000, which will be applied to the purchase price at each takedown on a pro rata per lot basis. Since the inspection period has expired, the deposit shall be refundable only upon a default by the Developer under the Phase I Lennar Contract.

The Developer has entered into an Amended and Restated Agreement for the Purchase and Sale of Real Property (Freedom Commons – Phase 2) dated July 3, 2023, as amended and supplemented from time to time (the “Phase II Lennar Contract” and, together with the Phase I Lennar Contract, the “Lennar Contract”), with Lennar Homes. The Phase II Lennar Contract provides for the sale of an aggregate of 122 developed lots, consisting of a single-family lots, for a purchase price of approximately \$49,400 per single-family home on forty-foot (40’) lot, \$61,750 per single-family home on fifty-foot (50’) lot and \$74,100 per single-family home on sixty-foot (60’) lot, for an aggregate purchase price of approximately \$7 million. In connection therewith, Lennar Homes made a deposit of \$100,000, which will be applied to the purchase price at each takedown on a pro rata per lot basis. Since the inspection period has expired, the deposit shall be refundable only upon a default by the Developer under the Phase II Lennar Contract.

Pursuant to the Lennar Contract, Lennar Homes will acquire the homebuilding development rights for such residential units within the Development. Lots will be purchased in several takedowns once final plats for any such lots have been recorded. As of the date hereof, Lennar Homes has taken down [85] +/- lots within the Development and each subsequent takedown will occur three months after the prior takedown until all lots have been taken down. Lennar Homes’ obligation to close on all lots under the Lennar Contract is conditioned, among other things, upon the completion of the development of such lots. In the event the Developer is not able to satisfy the conditions in the Lennar Contract, there is a risk that Lennar Homes will not close on lots within the Development.

Lennar Homes is a Florida limited liability company formed on November 30, 2006. Lennar Homes is an indirectly wholly-owned subsidiary of Lennar Corporation (“Lennar”). Lennar, founded in 1954, has homebuilding operations in fifteen states and is one of the nation’s leading builders of quality homes for all generations, building affordable, first-time, move-up and retirement homes. Pulte. The Developer has entered into a Real Estate Purchase and Sale Contract (Marion Ranch) dated July 11, 2023, as may be amended and supplemented from time to time (the “Pulte Contract”), with Pulte Home Company, LLC, a Michigan limited liability company (“Pulte”). In addition to the purchase price, Pulte agreed to pay the Developer an amount equal to twenty percent (20%) of the net home price after closing with a homebuyer calculated in accordance with the Pulte Contract. In connection therewith, Pulte made a deposit of \$1,040,000, which will be applied to the purchase price at each takedown on a pro rata per lot basis. Since the inspection period has expired, the deposit shall be refundable only upon a default by the Developer under the Pulte Contract. Pursuant to the Pulte Contract, Pulte will acquire the homebuilding development rights for such residential units within the Development. Lots will be purchased in several takedowns once final plats for any such lots have been recorded. As of the date hereof, Pulte has taken down [20] +/- lots within the Development and each subsequent takedown will occur after plats are recorded, with the last takedown expected to occur no later than _____, 20___. The second takedown of 15 +/- lots within the Development is expected to occur by _____ 20___.] Pulte’s obligation to close on all lots under the Pulte Contract is conditioned, among other things, upon the completion of the development of such lots. In the event the Developer is not able to satisfy the conditions in the Pulte Contract, there is a risk that Pulte will not close on lots within the Development.

Pulte is a wholly-owned subsidiary of Pulte Group, Inc., a Michigan corporation (“Pulte Group”). Pulte Group stock trades on the New York Stock Exchange under the symbol PHM. Pulte Group is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the “SEC”). The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Pulte. The address of such Internet web site is www.sec.gov. All documents subsequently filed by Pulte Group pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in such manner as the SEC prescribes.

Maronda. The Maronda Contract provides for the sale of 77.05 +/- gross acres currently planned for an aggregate of 270 developed lots, for an aggregate purchase price of approximately \$8.3 million. In connection therewith, Maronda made a deposit of \$825,000, which will be applied to the purchase price at closing. The deposit shall be refundable before the termination of the inspection period and upon a default by the Developer under the Maronda Contract. Pursuant to the Maronda Contract, Maronda will acquire the homebuilding development rights for such residential units within the Development. [Confirm one takedown, no takedown schedule in contract.] Maronda’s obligation to close on all lots under the Maronda Contract is conditioned, among other things, upon the completion of the development of such lots. In the

event the Developer is not able to satisfy the conditions in the Maronda Contract, there is a risk that Maronda will not close on lots within the Development. See “BONDOWNERS’ RISKS” herein.

Development Approvals

The land within the Development, including, without limitation, the land therein subject to the Series 2024 Special Assessments, is zoned to allow for the contemplated residential uses described herein. The District Engineer has indicated that all permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course. [The Developer is obligated to complete certain offsite infrastructure improvements in connection with the Development, however such offsite infrastructure improvements are not expected to have an adverse effect on construction or sales of residential units within the Development.][Have the off-site improvements mention in the Engineer’s Report been completed?]

Environmental

A Phase I Environmental Site Assessment was prepared by Kleinfelder, Inc., dated June 4, 2021 (the “ESA”), covering the land in the Development. The ESA revealed no recognized environmental conditions in connection with the Development. See “BONDOWNERS’ RISK – No. 11” herein for more information regarding potential environmental risks.

Amenities

The Development is planned to contain several amenity centers throughout the Development, including, but not limited to, a main amenity center within Phase Two that will include an approximately _____ square foot clubhouse, a fitness center, three swimming pools, six pickleball courts, and a dog park (collectively, the “Amenity”). Construction of the Amenity is expected to occur in phases commencing in _____ 20__ and is expected to be completed by _____ 20__. The estimated cost of the Amenity is approximately \$9 million, which will be privately funded by the Developer. The Amenity will be owned, operated and maintained by the homeowner’s association and available for use by all residents of the Development.

Utilities

Potable water, irrigation, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by the County. Electric power is expected to be provided by the Ocala Electric. Cable television and broadband cable services are expected to be provided by Charter Communications and Century Link. All utility services are available to the property.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2024 Special Assessments are levied on the 322 platted lots within the Development and, initially, the remaining acreage within the District until such time as the remaining 766 planned lots within the Development are platted. As platting of such remaining 766 planned lots within the Development occurs, the Series 2024 Special Assessments will be assigned to such platted lots on a first platted, first assigned basis. Assuming that all of the planned 1,088 residential units within the Development are developed and platted, then the Series 2024 Special Assessments will be allocated on the per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

⁽¹⁾ Preliminary, subject to change.

⁽²⁾ This amount will be grossed up to include early payment discounts and County collection fees, currently 7%.

⁽³⁾ Pursuant to the Builder Contracts, the Developer will, at the time of closing on lots with the Builders, prepay a portion of the Series 2024 Special Assessments on lots in Phases Three, Four, Five and Six to bring the annual assessment levels to approximately \$640 per 40’ lot, \$800 per 50’ lot, and \$960 per 60’ lot. The total expected prepayment will be approximately \$4,065,000 (preliminary, subject to change).

The District anticipates levying assessments to cover its operation and maintenance costs that are initially expected to be approximately \$102.89 per residential unit annually, which amount is subject to change. In addition, residents within the Development will be required to pay homeowners association fees, currently estimated to be \$ _____ per residential unit annually, which amounts are subject to change. [Will there be an amenity fee?] The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2023 was approximately 15.7633 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Marion County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

Students in elementary school are expected to attend Hammett Bowen Jr. Bowen Elementary School which was rated “B” by the Florida Department of Education for 2023. Students in middle school are expected to attend [Freedom Middle School][No Freedom Middle in Marion County, maybe Liberty Middle School?], which was rated “C” by the Florida Department of Education for 2023. Students in high school are expected to attend West Port High School, which was rated “B” by the Florida Department of Education for 2023.

Competition

The following communities have been identified by the Developer as being competitive with the Development because of their proximity to the Development, price ranges and product types: Oaks at Ocala Crossing, Towns at Laurel Commons, and JB Ranch.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

THE DEVELOPER

Freedom Commons Development, LLC, a Delaware limited liability company (the “Developer”), is the primary landowner and developer of the Development. The Developer is selling developed lots to builders who intend to market and construct homes for sale to homebuyers.

The Developer is wholly-owned and managed by Armstrong Brothers Development Group, LLC a Delaware limited liability company (“Armstrong Brothers”). [Armstrong Brothers is joint venture, majority owned by Lennar Homes, LLC.] [Please provide a brief bio of the Developer]

NEITHER THE DEVELOPER NOR ANY OTHER ENTITY OR INDIVIDUAL LISTED HEREIN ARE GUARANTEEING THE PAYMENT OF THE SERIES 2024 BONDS OR THE SERIES 2024 SPECIAL ASSESSMENTS. NONE OF THE ENTITIES LISTED HEREIN, OTHER THAN THE DEVELOPER, HAVE ENTERED INTO ANY AGREEMENTS IN CONNECTION WITH THE ISSUANCE OF THE SERIES 2024 BONDS.

ASSESSMENT METHODOLOGY

The Master Special Assessment Methodology, dated February 20, 2024 (the “Master Methodology”), as may be supplemented from time to time, and as supplemented by a final Supplemental Assessment Methodology for the Development to be dated the sale date of the Series 2024 Bonds (the “Supplemental Methodology” and together with the Master Methodology, the “Assessment Methodology”), which describes the methodology for allocation of the Series 2024 Special Assessments to lands within the Development, has been prepared by JPWard and Associates, LLC, Fort Lauderdale, Florida (the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2024 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2024 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

The Assessment Methodology sets forth a “true-up mechanism” which prevents any buildup of debt on unplatted or replatted land (“Unassigned Properties”). At the time Unassigned Properties becomes platted or replatted (“Assigned Properties”), the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is less than the required amount to pay debt service on the Series 2024 Bonds, then a debt reduction payment by the Developer in the amount necessary to reduce the par amount of the outstanding Series 2024 Bonds plus accrued interest to a level that will be supported by the new maximum annual debt service will be required. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism”.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2024 Bonds in order that the interest on the Series 2024 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2024 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2024 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2024 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2024 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2024 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the status of interest on the Series 2024 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2024 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2024 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2024 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2024 Bonds, or the ownership

or disposition of the Series 2024 Bonds. Prospective purchasers of Series 2024 Bonds should be aware that the ownership of Series 2024 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2024 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2024 Bonds, (iii) the inclusion of the interest on the Series 2024 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2024 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2024 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2024 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2024 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2024 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2024 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2024 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2024 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted

compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2024 Bonds, adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2024 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2024 Bonds and proceeds from the sale of Series 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2024 Bonds. This withholding generally applies if the owner of Series 2024 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any

agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2024 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2024 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2024 Bonds does not purchase at least \$100,000 of the Series 2024 Bonds at the time of initial delivery of the Series 2024 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2024 Bonds the investor letter in the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2024 Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys

or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

There is no litigation against the Developer of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2024 Project and the development of the lands within the Development as described herein.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2024 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2024 Bonds.

NO RATING

No application for a rating for the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2024 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Tillman & Associates Engineering, LLC, Ocala, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. JP Ward and Associates, LLC, Fort Lauderdale, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2024 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

Since its creation, the expenses of the District have been funded entirely by payments from the Developer made pursuant to a developer funding agreement between the District and the Developer. Therefore, as of the date of this Limited Offering Memorandum, the financial statements of the District would not contain any information material to an investment decision with respect to the Series 2024 Bonds.

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E, commencing with the audited financial statements of the District for the Fiscal Year ending September 30, 2024.

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed

budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Developer, each as an Obligated Person (as such term is defined in the herein defined Disclosure Agreement), will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule") the proposed form of which is set forth in APPENDIX E. The Disclosure Agreement is for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), to provide notice of certain events listed in the Disclosure Agreement and certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") to the MSRB through EMMA. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer (while an Obligated Person) to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"). The District appointed the District Manager to serve as the initial dissemination agent under the Disclosure Agreement.

[To the Developer's knowledge, in the previous five years it has not failed to comply, in all material respects, with any previous undertakings in a written agreement entered into in connection with the Rule.][Confirm; any prior continuing disclosure undertakings?]

UNDERWRITING

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2024 Bonds from the District at a purchase price of \$ _____ (representing the par amount of the Series 2024 Bonds [plus][less][net] original issue [premium][discount] of \$ _____ and less an Underwriter's discount of \$ _____). The Underwriter's obligations are subject to certain conditions precedent and if satisfied or waived, the Underwriter will be obligated to purchase all of the Series 2024 Bonds if any are purchased.

The Underwriter intends to offer the Series 2024 Bonds to accredited investors at the offering prices set forth on the inside cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2024 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

VALIDATION

One Hundred Forty-Eight Million Five Hundred Thousand Dollars (\$148,500,000) of special assessments bonds of the District to be issued from time to time were validated by final judgment of the Circuit Court of the Fifth Judicial Circuit of Florida in and for the County, rendered on May 16, 2024. The period of time during which an appeal of such judgment can be taken expires on June 15, 2024. The Series 2024 Bonds will not be issued until the period of time during which an appeal of such judgment expires.

Certain legal matters related to the authorization, sale and delivery of the Series 2024 Bonds are subject to the approval of Greenberg Traurig, P.A., West Palm Beach, Florida, Bond Counsel. Certain legal matters will be passed upon for the Underwriter by its counsel, Squire Patton Boggs (US) LLP, Miami, Florida. Certain legal matters will be passed upon for the District by its counsel, Coleman, Yovanovich & Koester, P.A., Naples, Florida. The Series 2024 Bonds shall be issued as one fully registered bond for each maturity of Series 2024 Bonds and deposited with The Depository Trust Company (“DTC”), New York, New York, which is responsible for establishing and maintaining records of ownership for its participants.

As long as the Series 2024 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof and in the Master Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants (“Direct Participants”) and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (“Indirect Participants”). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2024 Bonds (“Beneficial Owners”).

The Issuer shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer in accordance with the procedures of DTC. In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2024 Bonds in the form of fully registered Series 2024 Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2024 Bonds may be exchanged for an equal aggregate principal amount of Series 2024 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Subject to the provisions of Section 4.01(f) hereof, any moneys remaining in the Series 2024 Acquisition and Construction Account after the Completion Date upon notice of the same given by the Developer to the Trustee and District Manager, and after the expenditure of all moneys remaining therein that have not been requisitioned after satisfaction of the Release Conditions, notice of which to be provided by the Developer to the District Manager and the Trustee, except for any moneys reserved therein for the payment of any costs of the 2024 Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the Issuer accepting the 2024 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account. Subject to the provisions of Section 4.01(f) hereof, the Series 2024 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Acquisition and Construction Account and make payment to the Person or Persons so designated in such requisition. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2024 Costs of Issuance Account.” Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Costs of Issuance Account to pay the costs of issuing the Series 2024 Bonds. Six months after the issuance of the Series 2024 Bonds, any moneys remaining in the Series 2024 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2024 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2024 Bonds shall be paid from excess Series 2024 Pledged Revenues on deposit in the Series 2024 Revenue Account in accordance with Section 4.02 SEVENTH. When there are no further moneys therein, the Series 2024 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2024 Revenue Account.” Series 2024 Special Assessments (except for Prepayments of Series 2024 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2024 Principal Account.” Moneys shall be deposited into the Series 2024 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2024 Interest Account.” Moneys deposited into the Series 2024 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2024 Sinking Fund Account.” Moneys shall be deposited into the Series 2024 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2024 Reserve Account.” Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account pursuant to Section 4.02 of this First Supplemental Indenture shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2024 Bonds caused by investment earnings prior to the Completion Date to the Series 2024 Acquisition and Construction Account and after the Completion Date to the Series 2024 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments

and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2024 Reserve Account shall be transferred by the Trustee to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" to the Issuer submitted by the Developer, which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2024 Reserve Requirement, the Trustee shall without further direction reduce the Series 2024 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2024 Bonds as calculated by the District Manager. The excess amount in the Series 2024 Reserve Account shall be transferred to the Series 2024 Acquisition and Construction Account, as provided hereinabove. The Trustee may conclusively rely on such written certificate of the District Manager.

In the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the District Manager, on behalf of the Issuer, shall calculate the applicable Reserve Requirement and

communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2024 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2024 Bond Redemption Account” and within such Account, a “Series 2024 General Redemption Subaccount,” a “Series 2024 Optional Redemption Subaccount,” and a “Series 2024 Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2024 Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2024 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held in such Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2024 Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2024 Rebate Fund designated as the “Series 2024 Rebate Fund.” Moneys shall be deposited into the Series 2024 Rebate Fund, as provided in the Arbitrage Certificate and Section 4.02 SEVENTH herein and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2024 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2025, to the Series 2024 Interest Account of the Debt Service

Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 2025, to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amounts on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is a principal payment date for any Series 2024 Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2024 Revenue Account to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund , in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2024 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2024 Bonds, to execute and deliver the Indenture and to pledge the Series 2024 Pledged Revenues for the benefit of the Series 2024 Bonds to the extent set forth herein. The Series 2024 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2024 Bonds. The Series 2024 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2024 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2024 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2024 Bonds, the Issuer will promptly proceed to construct or acquire the 2024 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2024 Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2024 Special Assessments may, at its option, or as a result of acceleration of the Series 2024 Special Assessments because of non-payment thereof or as a result of a true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2024 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to the Series 2024 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2024 Reserve Account will exceed the applicable Reserve Requirement for the Series 2024 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) hereof and the resulting redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account as a credit against the Series 2024 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the Issuer upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2024 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2024 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2024 Bonds, there will be sufficient Series 2024 Pledged Revenues to pay the principal and interest, when due, on all Series 2024 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2024 Special Assessment has been paid in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2024 Prepayment Principal. The Trustee shall calculate the amount available for extraordinary mandatory redemption of the Series 2024 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days prior to each Quarterly Redemption Date and will withdraw money from the Series 2024 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a) hereof. No Reserve Account credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof.

At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2024 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2024 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2024 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

ARTICLE V

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2024 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2024 Special Assessments relating to the acquisition and construction of the 2024 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2024 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2024 Special Assessments, and to levy the Series 2024 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2024 Bonds when due. All Series 2024 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds, Accounts and Subaccounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2024 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations for capital projects, secured by any Special Assessments on assessable land within the District which secure the Series 2024 Special Assessments, until the Series 2024 Special Assessments are Substantially Absorbed. The Issuer’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer or the District Manager on behalf of the Issuer, shall provide the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments levied on the same land within the District upon which the Series 2024 Special Assessments have been levied at any time upon the written consent of the Majority Holders or at any time without any such consent if Special

Assessments are levied on any lands within the District which are not subject to the Series 2024 Special Assessments.

SECTION 5.05. Acknowledgement Regarding Series 2024 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Series 2024 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2024 Project or otherwise) without the consent of the Majority Holders, and (iii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. Prior to any action by the Trustee under this Section 5.05 or Section 10.05 of the Master Indenture, the Majority Holders shall provide the Trustee an indemnification regarding any actions so directed. The Issuer also acknowledges and agrees that from and after an Event of Default, the Trustee is authorized to exercise the Issuer's rights under the Collateral Assignment at the direction of the Majority Holders but without the consent or approval of the Issuer and the Issuer covenants not to enter into any contract regarding the 2024 Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

The Issuer covenants not to enter into any contract regarding the 2024 Project from and after the occurrence of an Event of Default without the written direction or consent of the Majority Holders.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for the Series 2024 Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Optional Redemption

If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Such principal amounts shall be reduced as specified by the Issuer by the principal amount of any Series 2024 Bonds redeemed pursuant to optional or extraordinary mandatory redemption as set forth herein or purchased and cancelled pursuant to the provisions of the Indenture.

<u>Year</u>	<u>Mandatory Sinking Fund Redemption Amount</u>
--------------------	--

*Maturity

Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date.

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (taking into account the credit from the Series 2024 Reserve Account pursuant to Section 4.05 of the First Supplemental Indenture) following the Prepayment in whole or in part of Series 2024 Special Assessments on

any assessable property within the District in accordance with the provisions of Section 4.05 of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and Subaccounts in the Funds, Accounts and subaccounts (other than the Series 2024 Rebate Fund, the Series 2024 Costs of Issuance Account and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the 2024 Project (including any amounts transferred from the Series 2024 Reserve Account) all of which have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Trustee or the Paying Agent, all as provided in the Indenture, the Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Bonds or such portions thereof on such date, interest on such Bonds or such portions thereof so called for redemption shall cease to accrue, such Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Trustee or the Paying Agent. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Series 2024 Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Series 2024 Bonds at the designated corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Series 2024 Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of the Series 2024 Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that

the issuance of this Bond, and of the issue of the Series 2024 Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

MEMO

To: Board of Supervisors

From: James P. Ward

Date: March 13, 2024

Re: Commission on Ethics newly established Electronic Financial Disclosure Management System ("EFDMS") website registration, Financial Disclosure Forms, and Required Ethics Training

Beginning January 1, 2024, the Florida Commission on Ethics has enacted new procedures for electronic filing of Financial Disclosure forms for Public Officials, as a means of submitting Forms and updating your Filer contact information.

To access the newly established Electronic Financial Disclosure Management System ("EFDMS"), visit the login page (<https://disclosure.floridaethics.gov/Account/Login>) and watch the instructional video for directions on how to register/confirm registration.

If you have filed a Form 1 before, click "I am a Filer" and follow the prompts.

Instructions, FAQs, and tutorials are available from the dashboard within EFDMS. Additional assistance can be obtained Monday-Friday from 8:00 a.m. until 5:00 p.m. by contacting the Commission directly.

Financial disclosure forms are due on or before July 1, 2024 for the preceding calendar year. A grace period is in effect until September 1. If the disclosure is not filed or postmarked by September 1, an automatic fine of \$25 per day will begin to accrue and will continue to build until the disclosure is filed, or the fine reaches \$1,500.

If you have an annual filing requirement AND will be running for office as a qualified elector in November, then you will need to complete your disclosure in EFDMS and submit your filing electronically to the Commission, then print a verification/receipt for e-filing your form or print a copy of your disclosure to file with your Qualifying Officer packet.

It is imperative that each filer take the time to confirm their registration on the EFDMS site, in order to ensure that the Florida Commission on Ethics has updated and correct contact information. All communication about filing requirements and due dates for filers will be provided via email only. Filers MUST maintain a current email address in EFDMS. By law, failure to maintain a current email address will not qualify as an "unusual circumstance" during an appeal of an automatic fine for failure to timely file a Form.

If the annual form is not submitted via the electronic filing system created and maintained by the Florida Commission on Ethics by September 3, 2024, an automatic fine of \$25 for each day late will be imposed, up to a maximum penalty of \$1,500. Failure to file also can result in removal from public office [s. 112.3145, F.S.].

In addition, failure to make any required disclosure constitutes grounds for and may be punished by one or more of the following: disqualification from being on the ballot, impeachment, removal or suspension from office, or a civil penalty not exceeding \$10,000. [s. 112.317, F.S.].

Also beginning January 1, 2024, all elected local officers of independent special districts, including any person appointed to fill a vacancy on an elected special district board, whose service began on or before March 31st of the year for which you are filing, are now required to complete four (4) hours of Ethics Training each calendar year. The four (4) hours of Ethics Training shall be allocated amongst the following categories:

- two (2) hours of ethics law,
- one (1) hour of Sunshine Law; and
- one (1) hour of Public Records law.

Please note that the four (4) hours of the Ethics Training do not have to be completed all at once. Supervisors will report their 2024 training when they fill out their Form 1 (Statement of Financial Interests) for the 2025 year by checking a box confirming that they have completed the annual Ethics Training.

It is highly recommended that you keep a record of all ethics training used to satisfy the Ethics Training requirements. At present, there is no need to submit a certificate or letter of completion of the Ethics Training. However, the Florida Commission on Ethics (“COE”) advises that Supervisors maintain a record in the event they are asked to provide proof of completion of all Ethics Training.

Additionally, you may be solicited by a private organization (Florida Association of Special Districts) – to take their Ethics Training Course on their platform for which there is a fee. **You are NOT required to use their services nor pay the fees they charge.** There are several free online resources and links to resources that Supervisors might find helpful, including free training for the two (2) hour ethics portion and links to outside trainings which can be used to satisfy the other categories of the Ethics Training. **You may take training from any source you choose.**
