AGREEMENT FOR MANAGEMENT SERVICES
between
MARION RANCH COMMUNITY DEVELOPMENT DISTRICT
and
WRATHELL, HUNT & ASSOCIATES, LLC

THIS AGREEMENT FOR MANAGEMENT SERVICES (this "Agreement"), is made and entered into on this 6th day of February, 2026, by and between the **Marion Ranch Community Development District**, hereinafter referred to as "DISTRICT", and the firm of **Wrathell, Hunt & Associates, LLC**, a Florida limited liability company, hereinafter referred to as "MANAGER".

WITNESSETH:

WHEREAS, the DISTRICT desires to retain the MANAGER to provide non-exclusive management, recording, assessment methodology and accounting advisory services for the DISTRICT, as required to meet the needs of the DISTRICT during the contract period; and

WHEREAS, the MANAGER desires to provide such services to the DISTRICT as more particularly described in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements expressed herein, and other good and valuable consideration, the receipt and adequacy of which are hereby conclusively acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. The DISTRICT hereby engages the MANAGER to provide the services more particularly described in Exhibit A attached hereto and incorporated herein by this reference (collectively, the "Services").
2. The DISTRICT agrees to compensate the MANAGER by payment of the fees (collectively, the "Fees") set forth in the fee schedule attached hereto as Exhibit B and incorporated herein by this reference (the "Fee Schedule"). The Fees, except as otherwise provided on the Fee Schedule, shall be payable in equal monthly installments on the first day of each month. The DISTRICT will consider price adjustments at the end of the fiscal year of the DISTRICT in effect upon the commencement of this Agreement and each succeeding twelve (12)-month period thereafter to compensate for market conditions and the anticipated type and scope of the Services to be performed during the next twelve (12)-month period. Accordingly, the Fees and the Fee Schedule shall be deemed increased at the end of the fiscal year of the DISTRICT in effect upon the commencement of this Agreement and thereafter annually at the end of each succeeding fiscal year to the extent approved in the annual budget adopted by the Board of Supervisors of the

Wrathell, Hunt and Associates, LLC

DISTRICT (the "Board"). In no event shall the Fees be increased to an amount which exceeds the amount of funds approved for the Services in the applicable budget adopted by the Board.

3. This Agreement shall become effective on the date set forth above and the term of this Agreement shall commence on such date and continue until this Agreement is terminated pursuant to the terms of this Section 3. This Agreement may be terminated as follows:
 - a) by the DISTRICT for "good cause", which shall include misfeasance, malfeasance, nonfeasance by the MANAGER, or failure of the MANAGER to perform the Services as required under this Agreement, if such misfeasance, malfeasance, nonfeasance or failure to perform the Services as required under this Agreement has not been cured within ten (10) business days after the DISTRICT has provided notice of same to the MANAGER (the "Cure Period"), upon providing ten (10) business days prior written notice to the MANAGER (which period shall not begin to run until the expiration of the Cure Period);
 - b) upon the dissolution or court-declared invalidity of the DISTRICT; or
 - c) by either party, for any reason, by providing sixty (60) days prior written notice to the other party.

Upon the termination of this Agreement, the MANAGER agrees to take all reasonable and necessary actions to transfer to the DISTRICT, or to such other party as directed by the DISTRICT, all the books and records of the DISTRICT in the MANAGER'S possession in an orderly fashion. The portion of the Fees and any other amounts due and owing to the MANAGER under this Agreement up to the effective date of the termination of this Agreement shall be due and payable immediately upon the termination of this Agreement. The DISTRICT'S obligation to make payment to the MANAGER of the portion of the Fees and any other amounts due and owing to MANAGER under this Agreement up to the effective date of the termination shall survive the termination of this Agreement.

6. The MANAGER shall promptly notify the DISTRICT in writing of all potential conflicts of interest for any prospective business association, interest or other circumstance which may influence or appear to influence the MANAGER'S judgment or quality of the Services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, identify the nature of work that the MANAGER may undertake, if applicable, and request an opinion of the DISTRICT as to whether the association, interest or circumstance would, in the opinion of the DISTRICT, constitute a conflict of interest if entered into by the MANAGER. The DISTRICT agrees to notify the MANAGER of its opinion within thirty (30) days of receipt of any notification by the MANAGER pursuant to this Section 6. If, in the opinion of the DISTRICT, the prospective business association, interest or circumstance would not constitute a conflict of interest by the MANAGER, the DISTRICT shall so state in its opinion, and in such event (i) the association, interest, or circumstance shall not be deemed to be a conflict of interest with respect to the Services provided to the DISTRICT by the MANAGER under the terms of this Agreement, and (ii) the Manager shall be free to pursue such prospective business association, interest or circumstance. The MANAGER shall be free to perform services similar to the type of services offered to the DISTRICT as part of the Services hereunder, and any other services, for any other special purpose taxing district, developer, landowner or otherwise. Nothing in this Agreement shall be deemed to prevent the MANAGER from performing such services, or any other services, for any other special taxing district, developer, landowner or otherwise and the providing of such services shall not constitute a conflict of interest under this Agreement.
7. The MANAGER agrees that all Services shall be performed by skilled and competent personnel.
8. The DISTRICT acknowledges that the MANAGER is not an attorney and may not render legal advice or opinions. Although the MANAGER may participate in the accumulation of information necessary for use in documents required by the DISTRICT in order to finalize any particular matters, such information shall be verified by the DISTRICT as to its correctness; provided, however, that the DISTRICT shall not be required to verify the correctness of any information originated by the MANAGER in connection with the Services.

No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

Wrathell, Hunt and Associates, LLC

- (e) In the event that both the Chairperson and Vice-Chairperson are absent from a Board meeting and a quorum is present, the Board may designate one of its members or a member of District staff to convene and conduct the meeting. In such circumstances, any of the Board members present are authorized to execute agreements, resolutions, and other documents approved by the Board at such meeting. In the event that the Chairperson and Vice-Chairperson are both unavailable to execute a document previously approved by the Board, the Secretary or any Assistant Secretary may execute such document.

- (6) Voting Conflict of Interest. The Board shall comply with Section 112.3143 of the Florida Statutes, so as to ensure the proper disclosure of conflicts of interest on matters coming before the Board for a vote. For the purposes of this section, "voting conflict of interest" shall be governed by the Florida Constitution and Chapters 112 and 190 of the Florida Statutes, as amended from time to time. Generally, a voting conflict exists when a Board member is called upon to vote on an item which would inure to the Board member’s special private gain or loss or the Board member knows would inure to the special private gain or loss of a principal by whom the Board member is retained, the parent organization or subsidiary of a corporate principal, a business associate, or a relative including only a father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, and daughter-in-law.

Within fifteen (15) days of the notification, the member shall file the appropriate Memorandum of Voting Conflict, which will be attached to the minutes of the Board meeting during which the vote on the matter occurred. The Memorandum of Voting Conflict shall immediately be provided to other Board members and shall be read publicly at the next meeting held subsequent to the filing of the Memorandum of Voting Conflict. The Board member's vote is unaffected by this filing.

- (d) In the event that a Board member elected at a landowner's election or appointed to fill a vacancy of a seat last filled at a landowner's election, has a continuing conflict of interest, such Board member is permitted to file a Memorandum of Voting Conflict at any time in which it shall state the nature of the continuing conflict. Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Rule 1.2 District Offices; Public Information and Inspection of Records; Policies; Service Contract Requirements; Financial Disclosure Coordination.

- (1) District Offices. Unless otherwise designated by the Board, the official District office shall be the District Manager's office identified by the District Manager. If the District Manager's office is not located within the county in which the District is located, the Board shall designate a local records office within such county which shall at a minimum contain, but not be limited to, the following documents:
- (a) Agenda packages for prior 24 months and next meeting;
 - (b) Official minutes of meetings, including adopted resolutions of the Board;
 - (c) Names and addresses of current Board members and District Manager, unless such addresses are protected from disclosure by law;
 - (d) Adopted engineer's reports;
 - (e) Adopted assessment methodologies/reports;
 - (f) Adopted disclosure of public financing;
 - (g) Limited Offering Memorandum for each financing undertaken by the District;
 - (h) Proceedings, certificates, bonds given by all employees, and any and all corporate acts;
 - (i) District policies and rules;
 - (j) Fiscal year end audits; and
 - (k) Adopted budget for the current fiscal year.

The District Manager shall ensure that each District records office contains the documents required by Florida law.

- (2) Public Records. District public records include all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received in connection with the transaction of official business of the District. All District public records not otherwise restricted by law may be copied or inspected at the District Manager's office during regular business hours. Certain District records can also be inspected and copied at the District's local records office during regular business hours. All written public records requests shall be directed to the Secretary who by these rules is appointed as the

District's records custodian. Regardless of the form of the request, any Board member or staff member who receives a public records request shall immediately forward or communicate such request to the Secretary for coordination of a prompt response. The Secretary, after consulting with District Counsel as to the applicability of any exceptions under the public records laws, shall be responsible for responding to the public records request. At no time can the District be required to create records or summaries of records, or prepare opinions regarding District policies, in response to a public records request.

- (3) Service Contracts. Any contract for services, regardless of cost, shall include provisions required by law that require the contractor to comply with public records laws. The District Manager shall be responsible for initially enforcing all contract provisions related to a contractor's duty to comply with public records laws.

- (4) Fees; Copies. Copies of public records shall be made available to the requesting person at a charge of \$0.15 per page for one-sided copies and \$0.20 per page for two-sided copies if not more than 8 ½ by 14 inches. For copies of public records in excess of the sizes listed in this section and for outside duplication services, the charge shall be equal to the actual cost of reproduction. Certified copies of public records shall be made available at a charge of one dollar (\$1.00) per page. If the nature or volume of records requested requires extensive use of information technology resources or extensive clerical or supervisory assistance, the District may charge, in addition to the duplication charge, a special service charge that is based on the cost the District incurs to produce the records requested. This charge may include, but is not limited to, the cost of information technology resource, employee labor, and fees charged to the District by consultants employed in fulfilling the request. In cases where the special service charge is based in whole or in part on the costs incurred by the District due to employee labor, consultant fees, or other forms of labor, those portions of the charge shall be calculated based on the lowest labor cost of the individual(s) who is/are qualified to perform the labor, taking into account the nature or volume of the public records to be inspected or copied. The charge may include the labor costs of supervisory and/or clerical staff whose assistance is required to complete the records request, in accordance with Florida law. For purposes of this Rule, the word "extensive" shall mean that it will take more than 15 minutes to locate, review for confidential information, copy and re-file the requested material. In cases where extensive personnel time is determined by the District to be necessary to safeguard original records being inspected, the special service charge provided for in this section shall apply. If the total fees, including but not limited to special service charges, are anticipated to exceed twenty-five dollars (\$25.00), then, prior to commencing work on the request, the District will inform the person making the public records request of the estimated cost, with the understanding that the final cost may vary from that estimate. If the person making the public records request decides to proceed with the request, payment of the estimated cost is required in advance. Should the person fail to pay the estimate, the District is under no duty to produce the requested records. After the request has been fulfilled, additional payments or credits may be

due. The District is under no duty to produce records in response to future records requests if the person making the request owes the District for past unpaid duplication charges, special service charges, or other required payments or credits.

- (5) Records Retention. The Secretary of the District shall be responsible for retaining the District's records in accordance with applicable Florida law.
- (6) Policies. The Board may adopt policies related to the conduct of its business and the provision of services either by resolution or motion.
- (7) Financial Disclosure Coordination. Unless specifically designated by Board resolution otherwise, the Secretary shall serve as the Financial Disclosure Coordinator ("Coordinator") for the District as required by the Florida Commission on Ethics ("Commission"). The Coordinator shall create, maintain and update a list of the names, e-mail addresses, physical addresses, and names of the agency of, and the office or position held by, all Supervisors and other persons required by Florida law to file a statement of financial interest due to his or her affiliation with the District ("Reporting Individual"). The Coordinator shall provide this list to the Commission by February 1 of each year, which list shall be current as of December 31 of the prior year. Each Supervisor and Reporting Individual shall promptly notify the Coordinator in writing if there are any changes to such person's name, e-mail address, or physical address. Each Supervisor and Reporting Individual shall promptly notify the Commission in the manner prescribed by the Commission if there are any changes to such person's e-mail address.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 112.31446(3), 112.3145(8)(a)1., 119.07, 119.0701, 190.006, Fla. Stat.

Rule 1.3 Public Meetings, Hearings, and Workshops.

- (1) Notice. Except in emergencies, or as otherwise required by statute or these Rules, at least seven (7) days public notice shall be given of any public meeting, hearing or workshop of the Board. Public notice shall be given by publication in a newspaper of general circulation in the District and in the county in which the District is located. “General circulation” means a publication that is printed and published at least once a week for the preceding year, offering at least 25% of its words in the English language, qualifies as a periodicals material for postal purposes in the county in which the District is located, is for sale to the public generally, is available to the public generally for the publication of official or other notices, and is customarily containing information of a public character or of interest or of value to the residents or owners of property in the county where published, or of interest or of value to the general public. The annual meeting notice required to be published by Section 189.015 of the Florida Statutes, shall be published in a newspaper not of limited subject matter, which is published at least five days a week, unless the only newspaper in the county is published less than five days a week. Each Notice shall state, as applicable:
- (a) The date, time and place of the meeting, hearing or workshop;
 - (b) A brief description of the nature, subjects, and purposes of the meeting, hearing, or workshop;
 - (c) The District office address for the submission of requests for copies of the agenda, as well as a contact name and telephone number for verbal requests for copies of the agenda; and
 - (d) The following or substantially similar language: “Pursuant to provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting/hearing/workshop is asked to advise the District Office at least forty-eight (48) hours before the meeting/hearing/workshop by contacting the District Manager at (561) 571-0010. If you are hearing or speech impaired, please contact the Florida Relay Service at 1 (800) 955-8770 or 1 (800) 955-8771, who can aid you in contacting the District Office.”
 - (e) The following or substantially similar language: “A person who decides to appeal any decision made at the meeting/hearing/workshop with respect to any matter considered at the meeting/hearing/workshop is advised that person will need a record of the proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made including the testimony and evidence upon which the appeal is to be based.”

- (f) The following or substantially similar language: “The meeting [or hearing or workshop] may be continued in progress without additional notice to a time, date, and location stated on the record.”
- (2) Mistake. In the event that a meeting is held under the incorrect assumption that notice required by law and these Rules has been given, the Board at its next properly noticed meeting shall cure such defect by considering the agenda items from the prior meeting individually and anew.
- (3) Agenda. The District Manager, under the guidance of District Counsel and the Chairperson or Vice-Chairperson, shall prepare an agenda of the meeting/hearing/workshop. The agenda and any meeting materials available in an electronic format, excluding any confidential and any confidential and exempt information, shall be available to the public at least seven days before the meeting/hearing/workshop, except in an emergency. Meeting materials shall be defined as, and limited to, the agenda, meeting minutes, resolutions, and agreements of the District that District staff deems necessary for Board approval. Inclusion of additional materials for Board consideration other than those defined herein as “meeting materials” shall not convert such materials into “meeting materials.” For good cause, the agenda may be changed after it is first made available for distribution, and additional materials may be added or provided under separate cover at the meeting. The requirement of good cause shall be liberally construed to allow the District to efficiently conduct business and to avoid the expenses associated with special meetings.

The District may, but is not required to, use the following format in preparing its agenda for its regular meetings:

- Call to order
- Roll call
- Public comment
- Organizational matters
- Review of minutes
- Specific items of old business
- Specific items of new business
- Staff reports
 - (a) District Counsel

The Secretary may work with other staff members in preparing draft minutes for the Board's consideration.
- (5) Special Requests. Persons wishing to receive, by mail, notices or agendas of meetings, may so advise the District Manager or Secretary at the District Office. Such persons shall furnish a mailing address in writing and shall be required to pre-pay the cost of the copying and postage.
- (6) Emergency Meetings. The Chairperson, or Vice-Chairperson if the Chairperson is unavailable, upon consultation with the District Manager and District Counsel, if available, may convene an emergency meeting of the Board without first having complied with sections (1) and (3) of this Rule, to act on emergency matters that may affect the public health, safety, or welfare. Whenever possible, the District Manager shall make reasonable efforts to provide public notice and notify all Board members of an emergency meeting twenty-four (24) hours in advance. Reasonable efforts may include telephone notification. Notice of the emergency meeting must be provided both before and after the meeting on the District's website, if it has one. Whenever an emergency meeting is called, the District Manager shall be responsible for notifying at least one newspaper of general circulation in the District. After an emergency meeting, the Board shall publish in a newspaper of general circulation in the District, the time, date and place of the emergency meeting, the reasons why an emergency meeting was necessary, and a description of the action taken. Actions taken at an emergency meeting may be ratified by the Board at a regularly noticed meeting subsequently held.
- (7) Public Comment. The Board shall set aside a reasonable amount of time at each meeting for public comment and members of the public shall be permitted to provide comment on any proposition before the Board. The portion of the meeting generally reserved for public comment shall be identified in the agenda. Policies governing public comment may be adopted by the Board in accordance with Florida law.
- (8) Budget Hearing. Notice of hearing on the annual budget(s) shall be in accord with Section 190.008 of the Florida Statutes. Once adopted in accord with Section 190.008 of the Florida Statutes, the annual budget(s) may be amended from time to time by action of the Board. Approval of invoices by the Board in excess of the funds allocated to a particular budgeted line item shall serve to amend the budgeted line item.
- (9) Public Hearings. Notice of required public hearings shall contain the information required by applicable Florida law and by these Rules applicable to meeting notices and shall be mailed and published as required by Florida law. The District Manager shall ensure that all such notices, whether mailed or published, contain the information required by Florida law and these Rules and are mailed and published

as required by Florida law. Public hearings may be held during Board meetings when the agenda includes such public hearing.

- (10) Participation by Teleconference/Videoconference. District staff may participate in Board meetings by teleconference or videoconference. Board members may also participate in Board meetings by teleconference or videoconference if in the good judgment of the Board extraordinary circumstances exist; provided however, at least three Board members must be physically present at the meeting location to establish a quorum. Such extraordinary circumstances shall be presumed when a Board member participates by teleconference or videoconference, unless a majority of the Board members physically present determines that extraordinary circumstances do not exist.
- (11) Board Authorization. The District has not adopted Robert's Rules of Order. For each agenda item, there shall be discussion permitted among the Board members during the meeting. Unless such procedure is waived by the Board, approval or disapproval of resolutions and other proposed Board actions shall be in the form of a motion by one Board member, a second by another Board member, and an affirmative vote by the majority of the Board members present. Any Board member, including the Chairperson, can make or second a motion.
- (12) Continuances. Any meeting or public hearing of the Board may be continued without re-notice or re-advertising provided that:
 - (a) The Board identifies on the record at the original meeting a reasonable need for a continuance;
 - (b) The continuance is to a specified date, time, and location publicly announced at the original meeting; and
 - (c) The public notice for the original meeting states that the meeting may be continued to a date and time and states that the date, time, and location of any continuance shall be publicly announced at the original meeting and posted at the District Office immediately following the original meeting.
- (13) Attorney-Client Sessions. An Attorney-Client Session is permitted when the District's attorneys deem it necessary to meet in private with the Board to discuss pending litigation to which the District is a party before a court or administrative agency or as may be authorized by law. The District's attorney must request such session at a public meeting. Prior to holding the Attorney-Client Session, the District must give reasonable public notice of the time and date of the session and the names of the persons anticipated to attend the session. The session must commence at an open meeting in which the Chairperson or Vice-Chairperson announces the commencement of the session, the estimated length of the session, and the names of the persons who will be attending the session. The discussion during the session is confined to settlement negotiations or strategy related to

litigation expenses or as may be authorized by law. Only the Board, the District's attorneys (including outside counsel), the District Manager, and the court reporter may attend an Attorney-Client Session. During the session, no votes may be taken and no final decisions concerning settlement can be made. Upon the conclusion of the session, the public meeting is reopened, and the Chairperson or Vice-Chairperson must announce that the session has concluded. The session must be transcribed by a court-reporter and the transcript of the session filed with the District Secretary within a reasonable time after the session. The transcript shall not be available for public inspection until after the conclusion of the litigation.

- (14) Security and Firesafety Board Discussions. Portions of a meeting which relate to or would reveal a security or firesafety system plan or portion thereof made confidential and exempt by section 119.071(3)(a), Florida Statutes, are exempt from the public meeting requirements and other requirements of section 286.011, Florida Statutes, and section 24(b), Article 1 of the State Constitution. Should the Board wish to discuss such matters, members of the public shall be required to leave the meeting room during such discussion. Any records of the Board's discussion of such matters, including recordings or minutes, shall be maintained as confidential and exempt records in accordance with Florida law.

Rule 2.0 Rulemaking Proceedings.

- (1) Commencement of Proceedings. Proceedings held for adoption, amendment, or repeal of a District rule shall be conducted according to these Rules. Rulemaking proceedings shall be deemed to have been initiated upon publication of notice by the District. A “rule” is a District statement of general applicability that implements, interprets, or prescribes law or policy, or describes the procedure or practice requirements of the District (“Rule”). Nothing herein shall be construed as requiring the District to consider or adopt rules unless required by Chapter 190 of the Florida Statutes. Policies adopted by the District which do not consist of rates, fees, rentals or other monetary charges may be, but are not required to be, implemented through rulemaking proceedings.
- (2) Notice of Rule Development.
 - (a) Except when the intended action is the repeal of a Rule, the District shall provide notice of the development of a proposed rule by publication of a Notice of Rule Development in a newspaper of general circulation in the District before providing notice of a proposed rule as required by section (3) of this Rule. Consequently, the Notice of Rule Development shall be published at least twenty-nine (29) days prior to the public hearing on the proposed Rule. The Notice of Rule Development shall indicate the subject area to be addressed by rule development, provide a short, plain explanation of the purpose and effect of the proposed rule, cite the specific legal authority for the proposed rule, and include a statement of how a person may promptly obtain, without cost, a copy of any preliminary draft, if available.
 - (b) All rules as drafted shall be consistent with Sections 120.54(1)(g) and 120.54(2)(b) of the Florida Statutes.
- (3) Notice of Proceedings and Proposed Rules.
 - (a) Prior to the adoption, amendment, or repeal of any rule other than an emergency rule, the District shall give notice of its intended action, setting forth a short, plain explanation of the purpose and effect of the proposed action, a reference to the specific rulemaking authority pursuant to which the rule is adopted, and a reference to the section or subsection of the Florida Statutes being implemented, interpreted, or made specific. The notice shall include a summary of the District’s statement of the estimated regulatory costs, if one has been prepared, based on the factors set forth in Section 120.541(2) of the Florida Statutes, and a statement that any person who wishes to provide the District with a lower cost regulatory alternative as provided by Section 120.541(1), must do so in writing within twenty-one (21) days after publication of the notice. The notice shall additionally include a statement that any affected person may request a public hearing by submitting a written request within twenty-one (21) days after the date

of publication of the notice. Except when intended action is the repeal of a rule, the notice shall include a reference to both the date on which and the place where the Notice of Rule Development required by section (2) of this Rule appeared.

- (b) The notice shall be published in a newspaper of general circulation in the District and each county in which the District is located not less than twenty-eight (28) days prior to the intended action. The proposed rule shall be available for inspection and copying by the public at the time of the publication of notice.
 - (c) The notice shall be mailed to all persons named in the proposed rule and to all persons who, at least fourteen (14) days prior to such mailing, have made requests of the District for advance notice of its rulemaking proceedings. Any person may file a written request with the District Manager to receive notice by mail of District proceedings to adopt, amend, or repeal a rule. Such persons must furnish a mailing address and may be required to pay the cost of copying and mailing.
- (4) Rule Development Workshops. Whenever requested in writing by any affected person, the District must either conduct a rule development workshop prior to proposing rules for adoption or the Chairperson must explain in writing why a workshop is unnecessary. The District may initiate a rule development workshop but is not required to do so.
- (5) Petitions to Initiate Rulemaking. All Petitions to Initiate Rulemaking proceedings must contain the name, address, and telephone number of the petitioner, the specific action requested, the specific reason for adoption, amendment, or repeal, the date submitted, the text of the proposed rule, and the facts showing that the petitioner is regulated by the District or has a substantial interest in the rulemaking. Not later than sixty (60) calendar days following the date of filing a petition, the Board shall initiate rulemaking proceedings or deny the petition with a written statement of its reasons for the denial. If the petition is directed to an existing policy that the District has not formally adopted as a rule, the District may, in its discretion, notice and hold a public hearing on the petition to consider the comments of the public directed to the policy, its scope and application, and to consider whether the public interest is served adequately by the application of the policy on a case-by-case basis, as contrasted with its formal adoption as a rule. However, this section shall not be construed as requiring the District to adopt a rule to replace a policy.
- (6) Rulemaking Materials. After the publication of the notice referenced in section (3) of this Rule, the Board shall make available for public inspection and shall provide, upon request and payment of the cost of copies, the following materials:
- (a) The text of the proposed rule, or any amendment or repeal of any existing rules;

- (b) A detailed written statement of the facts and circumstances justifying the proposed rule;
 - (c) A copy of the statement of estimated regulatory costs if required by Section 120.541 of the Florida Statutes; and
 - (d) The published notice.
- (7) Hearing. The District may, or, upon the written request of any affected person received within twenty-one (21) days after the date of publication of the notice described in section (3) of this Rule, shall, provide a public hearing for the presentation of evidence, argument, and oral statements, within the reasonable conditions and limitations imposed by the District to avoid duplication, irrelevant comments, unnecessary delay, or disruption of the proceedings. The District shall publish notice of the public hearing in a newspaper of general circulation within the District either in the text of the notice described in section (3) of this Rule or in a separate publication at least seven (7) days before the scheduled public hearing. The notice shall specify the date, time, and location of the public hearing, and the name, address, and telephone number of the District contact person who can provide information about the public hearing. Written statements may be submitted by any person prior to or at the public hearing. All timely submitted written statements shall be considered by the District and made part of the rulemaking record.
- (8) Emergency Rule Adoption. The Board may adopt an emergency rule if it finds that immediate danger to the public health, safety, or welfare exists which requires immediate action. Prior to the adoption of an emergency rule, the District Manager shall make reasonable efforts to notify a newspaper of general circulation in the District. Notice of emergency rules shall be published as soon as possible in a newspaper of general circulation in the District. The District may use any procedure which is fair under the circumstances in the adoption of an emergency rule as long as it protects the public interest as determined by the District and otherwise complies with these provisions.
- (9) Negotiated Rulemaking. The District may use negotiated rulemaking in developing and adopting rules pursuant to Section 120.54(2)(d) of the Florida Statutes, except that any notices required under Section 120.54(2)(d) of the Florida Statutes, may be published in a newspaper of general circulation in the county in which the District is located.
- (10) Rulemaking Record. In all rulemaking proceedings, the District shall compile and maintain a rulemaking record. The record shall include, if applicable:
- (a) The texts of the proposed rule and the adopted rule;
 - (b) All notices given for a proposed rule;

- (c) Any statement of estimated regulatory costs for the rule;
 - (d) A written summary of hearings, if any, on the proposed rule;
 - (e) All written comments received by the District and responses to those written comments; and
 - (f) All notices and findings pertaining to an emergency rule.
- (11) Petitions to Challenge Existing Rules.
- (a) Any person substantially affected by a rule may seek an administrative determination of the invalidity of the rule on the ground that the rule is an invalid exercise of the District's authority.
 - (b) The petition seeking an administrative determination must state with particularity the provisions alleged to be invalid with sufficient explanation of the facts or grounds for the alleged invalidity and facts sufficient to show that the person challenging a rule is substantially affected by it.
 - (c) The petition shall be filed with the District. Within 10 days after receiving the petition, the Chairperson shall, if the petition complies with the requirements of subsection (b) of this section, designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer who shall conduct a hearing within 30 days thereafter, unless the petition is withdrawn or a continuance is granted by agreement of the parties. The failure of the District to follow the applicable rulemaking procedures or requirements in this Rule shall be presumed to be material; however, the District may rebut this presumption by showing that the substantial interests of the petitioner and the fairness of the proceedings have not been impaired.
 - (d) Within 30 days after the hearing, the hearing officer shall render a decision and state the reasons therefor in writing.
 - (e) Hearings held under this section shall be de novo in nature. The petitioner has a burden of proving by a preponderance of the evidence that the existing rule is an invalid exercise of District authority as to the objections raised. The hearing officer may:
 - (i) Administer oaths and affirmations;
 - (ii) Rule upon offers of proof and receive relevant evidence;

- (iii) Regulate the course of the hearing, including any pre-hearing matters;
 - (iv) Enter orders; and
 - (v) Make or receive offers of settlement, stipulation, and adjustment.
- (f) The petitioner and the District shall be adverse parties. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (12) Variations and Waivers. A “variance” means a decision by the District to grant a modification to all or part of the literal requirements of a rule to a person who is subject to the rule. A “waiver” means a decision by the District not to apply all or part of a rule to a person who is subject to the rule. Variations and waivers from District rules may be granted subject to the following:
- (a) Variations and waivers shall be granted when the person subject to the rule demonstrates that the purpose of the underlying statute will be or has been achieved by other means by the person, and when application of the rule would create a substantial hardship or would violate principles of fairness. For purposes of this section, "substantial hardship" means a demonstrated economic, technological, legal, or other type of hardship to the person requesting the variance or waiver. For purposes of this section, "principles of fairness" are violated when the literal application of a rule affects a particular person in a manner significantly different from the way it affects other similarly situated persons who are subject to the rule.
 - (b) A person who is subject to regulation by a District Rule may file a petition with the District, requesting a variance or waiver from the District’s Rule. Each petition shall specify:
 - (i) The rule from which a variance or waiver is requested;
 - (ii) The type of action requested;
 - (iii) The specific facts that would justify a waiver or variance for the petitioner; and
 - (iv) The reason why the variance or the waiver requested would serve the purposes of the underlying statute.
 - (c) The District shall review the petition and may request only that information needed to clarify the petition or to answer new questions raised by or directly related to the petition. If the petitioner asserts that any request for additional information is not authorized by law or by Rule of the District,

the District shall proceed, at the petitioner's written request, to process the petition.

- (d) The Board shall grant or deny a petition for variance or waiver and shall announce such disposition at a publicly held meeting of the Board, within ninety (90) days after receipt of the original petition, the last item of timely requested additional material, or the petitioner's written request to finish processing the petition. The District's statement granting or denying the petition shall contain a statement of the relevant facts and reasons supporting the District's action.
- (13) Rates, Fees, Rentals and Other Charges. All rates, fees, rentals, or other charges shall be subject to rulemaking proceedings. Policies adopted by the District which do not consist of rates, fees, rentals or other charges may be, but are not required to be, implemented through rulemaking proceedings.

Specific Authority: §§ 190.011(5), 190.011(15), 190.035, Fla. Stat.

Law Implemented: §§ 190.011(5), 190.035(2), Fla. Stat.

Firms providing Professional Services under Continuing Contracts shall not be required to bid against one another.
 - (c) “Contractual Service” means the rendering by a contractor of its time and effort rather than the furnishing of specific commodities. The term applies only to those services rendered by individuals and firms who are independent contractors. Contractual Services do not include auditing services, Maintenance Services, or Professional Services as defined in Section 287.055(2)(a) of the Florida Statutes, and these Rules. Contractual Services also do not include any contract for the furnishing of labor or materials for the construction, renovation, repair, modification, or demolition of any facility, building, portion of building, utility, park, parking lot, or structure or other improvement to real property entered into pursuant to Chapter 255 of the Florida Statutes, and Rules 3.5 or 3.6.

The purpose of the Design Criteria Package is to furnish sufficient information to permit Design-Build Firms to prepare a bid or a response to the District’s Request for Proposals, or to permit the District to enter into a negotiated Design-Build Contract. The Design Criteria Package must specify performance-based criteria for the public construction project, including the legal description of the site, survey information concerning the site, interior space requirements, material quality standards, schematic layouts and conceptual design criteria of the project, cost or budget estimates, design and construction schedules, site development requirements, provisions for utilities, stormwater retention and disposal, and parking requirements applicable to the project. Design Criteria Packages shall require firms to submit information regarding the qualifications, availability, and past work of the firms, including the partners and members thereof.
- (g) “Design Criteria Professional” means a firm who holds a current certificate of registration under Chapter 481 of the Florida Statutes, to practice architecture or landscape architecture, or a firm who holds a current certificate as a registered engineer under Chapter 471 of the Florida Statutes, to practice engineering, and who is employed by or under contract to the District to provide professional architect services, landscape architect services, or engineering services in connection with the preparation of the Design Criteria Package.
- (h) “Emergency Purchase” means a purchase necessitated by a sudden unexpected turn of events (for example, acts of God, riot, fires, floods, hurricanes, accidents, or any circumstances or cause beyond the control of the Board in the normal conduct of its business), where the Board finds that the delay incident to competitive purchase would be detrimental to the interests of the District. This includes, but is not limited to, instances where

- (i) “Invitation to Bid” is a written solicitation for sealed bids with the title, date, and hour of the public bid opening designated specifically and defining the commodity or service involved. - (m) “Proposal (or Reply or Response) Most Advantageous to the District” means, as determined in the sole discretion of the Board, the proposal, reply, or response that is:

- (p) “Responsive and Responsible Bidder” means an entity or individual that has submitted a bid that conforms in all material respects to the Invitation to Bid and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. “Responsive and Responsible Vendor” means an entity or individual that has submitted a proposal, reply, or response that conforms in all material respects to the Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and has the capability in all respects to fully perform the contract requirements and the integrity and reliability that will assure good faith performance. In determining whether an entity or individual is a Responsive and Responsible Bidder (or Vendor), the District may consider, in addition to factors described in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the following:

 - (ii) The past performance of the entity/individual for the District and in other professional employment;
 - (iii) The willingness of the entity/individual to meet time and budget requirements;
 - (iv) The geographic location of the entity’s/individual’s headquarters or office in relation to the project;

 - (vi) The volume of work previously awarded to the entity/individual;
 - (vii) Whether the cost components of the bid or proposal are appropriately balanced; and
 - (viii) Whether the entity/individual is a certified minority business enterprise.
- (q) “Responsive Bid,” “Responsive Proposal,” “Responsive Reply,” and “Responsive Response” all mean a bid, proposal, reply, or response which conforms in all material respects to the specifications and conditions in the

Invitation to Bid, Request for Proposals, Invitations to Negotiate, or Competitive Solicitation document and these Rules, and the cost components of which, if any, are appropriately balanced. A bid, proposal, reply or response is not responsive if the person or firm submitting it fails to meet any material requirement relating to the qualifications, financial stability, or licensing of the bidder.

- (1) Scope. The following procedures are adopted for the selection of firms or individuals to provide Professional Services exceeding the thresholds herein described, for the negotiation of such contracts, and to provide for protest of actions of the Board under this Rule. As used in this Rule, "Project" means that fixed capital outlay study or planning activity when basic construction cost is estimated by the District to exceed the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FIVE, or for a planning study activity when the fee for Professional Services is estimated by the District to exceed the threshold amount provided in Section 287.017 for CATEGORY TWO, as such categories may be amended or adjusted from time to time.

- (2) Qualifying Procedures. In order to be eligible to provide Professional Services to the District, a consultant must, at the time of receipt of the firm's qualification submittal:
 - (a) Hold all required applicable state professional licenses in good standing;
 - (b) Hold all required applicable federal licenses in good standing, if any;
 - (c) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the consultant is a corporation; and
 - (d) Meet any qualification requirements set forth in the District's Request for Qualifications.

Evidence of compliance with this Rule may be submitted with the qualifications, if requested by the District. In addition, evidence of compliance must be submitted any time requested by the District.

- (3) Public Announcement. Except in cases of valid public emergencies as certified by the Board, the District shall announce each occasion when Professional Services are required for a Project or a Continuing Contract by publishing a notice providing a general description of the Project, or the nature of the Continuing Contract, and the method for interested consultants to apply for consideration. The notice shall appear in at least one (1) newspaper of general circulation in the District and in such other places as the District deems appropriate. The notice must allow at least fourteen (14) days for submittal of qualifications from the date of publication. The District may maintain lists of consultants interested in receiving such notices. These consultants are encouraged to submit annually statements of qualifications and performance data. The District shall make reasonable efforts to provide copies of any notices to such consultants, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process. The Board has the right to reject any and all

qualifications, and such reservation shall be included in the published notice. Consultants not receiving a contract award shall not be entitled to recover from the District any costs of qualification package preparation or submittal.

(4) Competitive Selection.

- (a) The Board shall review and evaluate the data submitted in response to the notice described in section (3) of this Rule regarding qualifications and performance ability, as well as any statements of qualifications on file. The Board shall conduct discussions with, and may require public presentation by consultants regarding their qualifications, approach to the Project, and ability to furnish the required services. The Board shall then select and list the consultants, in order of preference, deemed to be the most highly capable and qualified to perform the required Professional Services, after considering these and other appropriate criteria:
 - (i) The ability and adequacy of the professional personnel employed by each consultant;
 - (ii) Whether a consultant is a certified minority business enterprise;
 - (iii) Each consultant's past performance;
 - (iv) The willingness of each consultant to meet time and budget requirements;
 - (v) The geographic location of each consultant's headquarters, office and personnel in relation to the project;
 - (vi) The recent, current, and projected workloads of each consultant; and
 - (vii) The volume of work previously awarded to each consultant by the District.
- (b) Nothing in these Rules shall prevent the District from evaluating and eventually selecting a consultant if less than three (3) Responsive qualification packages, including packages indicating a desire not to provide Professional Services on a given Project, are received.
- (c) If the selection process is administered by any person or committee other than the full Board, the selection made will be presented to the full Board with a recommendation that competitive negotiations be instituted with the selected firms in order of preference listed.
- (d) Notice of the rankings adopted by the Board, including the rejection of some or all qualification packages, shall be provided in writing to all consultants

by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's ranking decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

(5) Competitive Negotiation.

- (a) After the Board has authorized the beginning of competitive negotiations, the District may begin such negotiations with the firm listed as most qualified to perform the required Professional Services at a rate or amount of compensation which the Board determines is fair, competitive, and reasonable.
- (b) In negotiating a lump-sum or cost-plus-a-fixed-fee professional contract for more than the threshold amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, the firm receiving the award shall be required to execute a truth-in-negotiation certificate stating that "wage rates and other factual unit costs supporting the compensation are accurate, complete and current at the time of contracting." In addition, any professional service contract under which such a certificate is required, shall contain a provision that "the original contract price and any additions thereto, shall be adjusted to exclude any significant sums by which the Board determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs."
- (c) Should the District be unable to negotiate a satisfactory agreement with the firm determined to be the most qualified at a price deemed by the District to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the District shall immediately begin negotiations with the second most qualified firm. If a satisfactory agreement with the second firm cannot be reached, those negotiations shall be terminated and negotiations with the third most qualified firm shall be undertaken.
- (d) Should the District be unable to negotiate a satisfactory agreement with one of the top three (3) ranked consultants, additional firms shall be selected by the District, in order of their competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.

(6) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.

- (7) Continuing Contract. Nothing in this Rule shall prohibit a Continuing Contract between a consultant and the District.

- (8) Emergency Purchase. The District may make an Emergency Purchase without complying with these Rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Rule 3.2 Procedure Regarding Auditor Selection.

In order to comply with the requirements of Section 218.391 of the Florida Statutes, the following procedures are outlined for selection of firms or individuals to provide Auditing Services and for the negotiation of such contracts. For audits required under Chapter 190 of the Florida Statutes but not meeting the thresholds of Chapter 218 of the Florida Statutes, the District need not follow these procedures but may proceed with the selection of a firm or individual to provide Auditing Services and for the negotiation of such contracts in the manner the Board determines is in the best interests of the District.

(1) Definitions.

- (a) "Auditing Services" means those services within the scope of the practice of a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.
- (b) "Committee" means the auditor selection committee appointed by the Board as described in section (2) of this Rule.

(2) Establishment of Auditor Selection Committee. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Board shall establish an auditor selection committee ("Committee"), the primary purpose of which is to assist the Board in selecting an auditor to conduct the annual financial audit required by Section 218.39 of the Florida Statutes. The Committee shall include at least three individuals, at least one of which must also be a member of the Board. The establishment and selection of the Committee must be conducted at a publicly noticed and held meeting of the Board. The Chairperson of the Committee must be a member of the Board. An employee, a chief executive officer, or a chief financial officer of the District may not serve as a member of the Committee; provided however such individual may serve the Committee in an advisory capacity.

(3) Establishment of Minimum Qualifications and Evaluation Criteria. Prior to a public announcement under section (4) of this Rule that Auditing Services are required, the Committee shall meet at a publicly noticed meeting to establish minimum qualifications and factors to use for the evaluation of Auditing Services to be provided by a certified public accounting firm licensed under Chapter 473 of the Florida Statutes, and qualified to conduct audits in accordance with government auditing standards as adopted by the Florida Board of Accountancy.

- (a) Minimum Qualifications. In order to be eligible to submit a proposal, a firm must, at all relevant times including the time of receipt of the proposal by the District:

- (i) Hold all required applicable state professional licenses in good standing;
- (ii) Hold all required applicable federal licenses in good standing, if any;
- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation; and
- (iv) Meet any pre-qualification requirements established by the Committee and set forth in the RFP or other specifications.

If requested in the RFP or other specifications, evidence of compliance with the minimum qualifications as established by the Committee must be submitted with the proposal.

- (b) Evaluation Criteria. The factors established for the evaluation of Auditing Services by the Committee shall include, but are not limited to:
 - (i) Ability of personnel;
 - (ii) Experience;
 - (iii) Ability to furnish the required services; and
 - (iv) Such other factors as may be determined by the Committee to be applicable to its particular requirements.

The Committee may also choose to consider compensation as a factor. If the Committee establishes compensation as one of the factors, compensation shall not be the sole or predominant factor used to evaluate proposals.

- (4) Public Announcement. After identifying the factors to be used in evaluating the proposals for Auditing Services as set forth in section (3) of this Rule, the Committee shall publicly announce the opportunity to provide Auditing Services. Such public announcement shall include a brief description of the audit and how interested firms can apply for consideration and obtain the RFP. The notice shall appear in at least one (1) newspaper of general circulation in the District and the county in which the District is located. The public announcement shall allow for at least seven (7) days for the submission of proposals.
- (5) Request for Proposals. The Committee shall provide interested firms with a Request for Proposals (“RFP”). The RFP shall provide information on how proposals are to be evaluated and such other information the Committee determines

is necessary for the firm to prepare a proposal. The RFP shall state the time and place for submitting proposals.

- (6) Committee's Evaluation of Proposals and Recommendation. The Committee shall meet at a publicly held meeting that is publicly noticed for a reasonable time in advance of the meeting to evaluate all qualified proposals and may, as part of the evaluation, require that each interested firm provide a public presentation where the Committee may conduct discussions with the firm, and where the firm may present information, regarding the firm's qualifications. At the public meeting, the Committee shall rank and recommend in order of preference no fewer than three firms deemed to be the most highly qualified to perform the required services after considering the factors established pursuant to subsection (3)(b) of this Rule. If fewer than three firms respond to the RFP or if no firms respond to the RFP, the Committee shall recommend such firm as it deems to be the most highly qualified. Notwithstanding the foregoing, the Committee may recommend that any and all proposals be rejected.
- (7) Board Selection of Auditor.
- (a) Where compensation was not selected as a factor used in evaluating the proposals, the Board shall negotiate with the firm ranked first and inquire of that firm as to the basis of compensation. If the Board is unable to negotiate a satisfactory agreement with the first ranked firm at a price deemed by the Board to be fair, competitive, and reasonable, then negotiations with that firm shall be terminated and the Board shall immediately begin negotiations with the second ranked firm. If a satisfactory agreement with the second ranked firm cannot be reached, those negotiations shall be terminated and negotiations with the third ranked firm shall be undertaken. The Board may reopen formal negotiations with any one of the three top-ranked firms, but it may not negotiate with more than one firm at a time. If the Board is unable to negotiate a satisfactory agreement with any of the selected firms, the Committee shall recommend additional firms in order of the firms' respective competence and qualifications. Negotiations shall continue, beginning with the first-named firm on the list, until an agreement is reached or the list of firms is exhausted.
- (b) Where compensation was selected as a factor used in evaluating the proposals, the Board shall select the highest-ranked qualified firm or document in its public records the reason for not selecting the highest-ranked qualified firm.
- (c) In negotiations with firms under this Rule, the Board may allow the District Manager, District Counsel, or other designee to conduct negotiations on its behalf.

- (d) Notwithstanding the foregoing, the Board may reject any or all proposals. The Board shall not consider any proposal, or enter into any contract for Auditing Services, unless the proposed agreed-upon compensation is reasonable to satisfy the requirements of Section 218.39 of the Florida Statutes, and the needs of the District.
- (8) Contract. Any agreement reached under this Rule shall be evidenced by a written contract, which may take the form of an engagement letter signed and executed by both parties. The written contract shall include all provisions and conditions of the procurement of such services and shall include, at a minimum, the following:
- (a) A provision specifying the services to be provided and fees or other compensation for such services;
 - (b) A provision requiring that invoices for fees or other compensation be submitted in sufficient detail to demonstrate compliance with the terms of the contract;
 - (c) A provision setting forth deadlines for the auditor to submit a preliminary draft audit report to the District for review and to submit a final audit report no later than June 30 of the fiscal year that follows the fiscal year for which the audit is being conducted;
 - (d) A provision specifying the contract period, including renewals, and conditions under which the contract may be terminated or renewed. The maximum contract period including renewals shall be five (5) years. A renewal may be done without the use of the auditor selection procedures provided in this Rule but must be in writing.
 - (e) Provisions required by law that require the auditor to comply with public records laws.
- (9) Notice of Award. Once a negotiated agreement with a firm or individual is reached, or the Board authorizes the execution of an agreement with a firm where compensation was a factor in the evaluation of proposals, notice of the intent to award, including the rejection of some or all proposals, shall be provided in writing to all proposers by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests regarding the award of contracts under this Rule shall be as provided for in Rule 3.11. No proposer shall be entitled to recover any costs of proposal preparation or submittal from the District.

Rule 3.3 Purchase of Insurance.

- (1) Scope. The purchases of life, health, accident, hospitalization, legal expense, or annuity insurance, or all of any kinds of such insurance for the officers and employees of the District, and for health, accident, hospitalization, and legal expenses upon a group insurance plan by the District, shall be governed by this Rule. This Rule does not apply to the purchase of any other type of insurance by the District, including but not limited to liability insurance, property insurance, and directors and officers insurance. Nothing in this Rule shall require the District to purchase insurance.
- (2) Procedure. For a purchase of insurance within the scope of these Rules, the following procedure shall be followed:
 - (a) The Board shall cause to be prepared a Notice of Invitation to Bid.
 - (b) Notice of the Invitation to Bid shall be advertised at least once in a newspaper of general circulation within the District. The notice shall allow at least fourteen (14) days for submittal of bids.
 - (c) The District may maintain a list of persons interested in receiving notices of Invitations to Bid. The District shall make reasonable efforts to provide copies of any notices to such persons, but the failure to do so shall not give such consultants any bid protest or other rights or otherwise disqualify any otherwise valid procurement process.
 - (d) Bids shall be opened at the time and place noted in the Invitation to Bid.
 - (e) If only one (1) response to an Invitation is received, the District may proceed with the purchase. If no response to an Invitation to Bid is received, the District may take whatever steps are reasonably necessary in order to proceed with the purchase.
 - (f) The Board has the right to reject any and all bids and such reservations shall be included in all solicitations and advertisements.
 - (g) Simultaneously with the review of the submitted bids, the District may undertake negotiations with those companies that have submitted reasonable and timely bids and, in the opinion of the District, are fully qualified and capable of meeting all services and requirements. Bid responses shall be evaluated in accordance with the specifications and criteria contained in the Invitation to Bid; in addition, the total cost to the District, the cost, if any, to the District officers, employees, or their dependents, the geographic location of the company's headquarters and offices in relation to the District, and the ability of the company to guarantee premium stability may be considered. A contract to purchase insurance

shall be awarded to that company whose response to the Invitation to Bid best meets the overall needs of the District, its officers, employees, and/or dependents.

- (h) Notice of the intent to award, including rejection of some or all bids, shall be provided in writing to all bidders by United States Mail, by hand delivery, or by overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's procurement of insurance under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

Law Implemented: § 112.08, Fla. Stat.

Rule 3.4 Pre-qualification

- (1) Scope. In its discretion, the District may undertake a pre-qualification process in accordance with this Rule for vendors to provide construction services, goods, supplies, and materials, Contractual Services, and maintenance services.
- (2) Procedure. When the District seeks to pre-qualify vendors, the following procedures shall apply:
 - (a) The Board shall cause to be prepared a Request for Qualifications.
 - (b) For construction services exceeding the thresholds described in Section 255.20 of the Florida Statutes, the Board must advertise the proposed pre-qualification criteria and procedures and allow at least seven (7) days notice of the public hearing for comments on such pre-qualification criteria and procedures. At such public hearing, potential vendors may object to such pre-qualification criteria and procedures. Following such public hearing, the Board shall formally adopt pre-qualification criteria and procedures prior to the advertisement of the Request for Qualifications for construction services.
 - (c) The Request for Qualifications shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall allow at least seven (7) days for submittal of qualifications for goods, supplies and materials, Contractual Services, maintenance services, and construction services under two hundred fifty thousand dollars (\$250,000). The notice shall allow at least twenty-one (21) days for submittal of qualifications for construction services estimated to cost over two hundred fifty thousand dollars (\$250,000) and thirty (30) days for construction services estimated to cost over five hundred thousand dollars (\$500,000).
 - (d) The District may maintain lists of persons interested in receiving notices of Requests for Qualifications. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any pre-qualification determination or contract awarded in accordance with these Rules and shall not be a basis for a protest of any pre-qualification determination or contract award.
 - (e) If the District has pre-qualified vendors for a particular category of purchase, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies or responses in response to the applicable Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

- (f) In order to be eligible to submit qualifications, a firm or individual must, at the time of receipt of the qualifications:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Request for Qualifications.

Evidence of compliance with these Rules must be submitted with the qualifications if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the qualifications.

- (g) Qualifications shall be presented to the Board, or a committee appointed by the Board, for evaluation in accordance with the Request for Qualifications and this Rule. Minor variations in the qualifications may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature.
- (h) All vendors determined by the District to meet the pre-qualification requirements shall be pre-qualified. To assure full understanding of the responsiveness to the requirements contained in a Request for Qualifications, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion and revision of qualifications. For construction services, any contractor pre-qualified and considered eligible by the Department of Transportation to bid to perform the type of work the project entails shall be presumed to be qualified to perform the project.
- (i) The Board shall have the right to reject all qualifications if there are not enough to be competitive or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of qualification preparation or submittal from the District.
- (j) Notice of intent to pre-qualify, including rejection of some or all qualifications, shall be provided in writing to all vendors by United States Mail, electronic mail, hand delivery, facsimile, or overnight delivery service. The notice

shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's pre-qualification decisions under this Rule shall be in accordance with the procedures set forth in Rule 3.11; provided however, protests related to the pre-qualification criteria and procedures for construction services shall be resolved in accordance with section (2)(b) of this Rule and Section 255.20(1)(b) of the Florida Statutes.

(3) Suspension, Revocation, or Denial of Qualification

(a) The District, for good cause, may deny, suspend, or revoke a prequalified vendor's pre-qualified status. A suspension, revocation, or denial for good cause shall prohibit the vendor from bidding on any District construction contract for which qualification is required, shall constitute a determination of non-responsibility to bid on any other District construction or maintenance contract, and shall prohibit the vendor from acting as a material supplier or subcontractor on any District contract or project during the period of suspension, revocation, or denial. Good cause shall include the following:

- i. One of the circumstances specified under Section 337.16(2), Fla. Stat., has occurred.
- ii. Affiliated contractors submitted more than one proposal for the same work. In this event the pre-qualified status of all of the affiliated bidders will be revoked, suspended, or denied. All bids of affiliated bidders will be rejected.
- iii. The vendor made or submitted false, deceptive, or fraudulent statements, certifications, or materials in any claim for payment or any information required by any District contract.
- iv. The vendor or its affiliate defaulted on any contract or a contract surety assumed control of financial responsibility for any contract of the vendor.
- v. The vendor's qualification to bid is suspended, revoked, or denied by any other public or semi-public entity, or the vendor has been the subject of a civil enforcement proceeding or settlement involving a public or semi-public entity.
- vi. The vendor failed to comply with contract or warranty requirements or failed to follow District direction in the performance of a contract.
- vii. The vendor failed to timely furnish all contract documents required by the contract specifications, special provisions, or by any state or federal statutes or regulations. If the vendor fails to furnish any of the subject contract documents by the expiration of the period of suspension,

revocation, or denial set forth above, the vendor's pre-qualified status shall remain suspended, revoked, or denied until the documents are furnished.

- viii. The vendor failed to notify the District within 10 days of the vendor, or any of its affiliates, being declared in default or otherwise not completing work on a contract or being suspended from qualification to bid or denied qualification to bid by any other public or semi-public agency.
- ix. The vendor did not pay its subcontractors or suppliers in a timely manner or in compliance with contract documents.
- x. The vendor has demonstrated instances of poor or unsatisfactory performance, deficient management resulting in project delay, poor quality workmanship, a history of payment of liquidated damages, untimely completion of projects, uncooperative attitude, contract litigation, inflated claims or defaults.
- xi. An affiliate of the vendor has previously been determined by the District to be non-responsible, and the specified period of suspension, revocation, denial, or non-responsibility remains in effect.
- xii. The vendor or affiliate(s) has been convicted of a contract crime.
 - 1. The term "contract crime" means any violation of state or federal antitrust laws with respect to a public contract or any violation of any state or federal law involving fraud, bribery, collusion, conspiracy, or material misrepresentation with respect to a public contract.
 - 2. The term "convicted" or "conviction" means a finding of guilt or a conviction of a contract crime, with or without an adjudication of guilt, in any federal or state trial court of record as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

(b) A denial, suspension, or revocation shall prohibit the vendor from being a subcontractor on District work during the period of denial, suspension, or revocation, except when a prime contractor's bid has used prices of a subcontractor who becomes disqualified after the bid, but before the request for authorization to sublet is presented.

(c) The District shall inform the vendor in writing of its intent to deny, suspend, or revoke its pre-qualified status and inform the vendor of its right to a hearing, the procedure which must be followed, and the applicable time limits. If a hearing is requested within 10 days after the receipt of the notice of intent, the

hearing shall be held within 30 days after receipt by the District of the request for the hearing. The decision shall be issued within 15 days after the hearing.

- (d) Such suspension or revocation shall not affect the vendor's obligations under any preexisting contract.
- (e) In the case of contract crimes, the vendor's pre-qualified status under this Rule shall be revoked indefinitely. For all violations of Rule 3.4(3)(a) other than for the vendor's conviction for contract crimes, the revocation, denial, or suspension of a vendor's pre-qualified status under this Rule shall be for a specific period of time based on the seriousness of the deficiency.

Examples of factors affecting the seriousness of a deficiency are:

- i. Impacts on project schedule, cost, or quality of work;
- ii. Unsafe conditions allowed to exist;
- iii. Complaints from the public;
- iv. Delay or interference with the bidding process;
- v. The potential for repetition;
- vi. Integrity of the public contracting process;
- vii. Effect on the health, safety, and welfare of the public.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.
Law Implemented: §§ 190.033, 255.0525, 255.20, Fla. Stat.

Rule 3.5 Construction Contracts, Not Design-Build.

- (1) Scope. All contracts for the construction or improvement of any building, structure, or other public construction works authorized by Chapter 190 of the Florida Statutes, the costs of which are estimated by the District in accordance with generally accepted cost accounting principles to be in excess of the threshold amount for applicability of Section 255.20 of the Florida Statutes, as that amount may be indexed or amended from time to time, shall be let under the terms of these Rules and the procedures of Section 255.20 of the Florida Statutes, as the same may be amended from time to time. A project shall not be divided solely to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of construction services is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation in the District and in the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least twenty-one (21) days for submittal of sealed bids, proposals, replies, or responses, unless the Board, for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of bids, proposals, replies, or responses. If the Board has previously pre-qualified contractors pursuant to Rule 3.4 and determined that only the contractors that have been pre-qualified will be permitted to submit bids, proposals, replies, and responses, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation need not be published. Instead, the Notice of Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be sent to the pre-qualified contractors by United States Mail, hand delivery, facsimile, or overnight delivery service.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.

- (d) If the District has pre-qualified providers of construction services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses to Invitations to Bid, Requests for Proposals, Invitations to Negotiate, and Competitive Solicitations.
- (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;
 - (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the bidder is a corporation; and
 - (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to, reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply, or response, if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation and these Rules. Minor variations in the bids,

proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.

- (g) The lowest Responsive Bid submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No contractor shall be entitled to recover any costs of bid, proposal, response, or reply preparation or submittal from the District.
- (i) The Board may require potential contractors to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
- (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses, shall be provided in writing to all contractors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of construction services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
- (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase construction services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may

proceed with the procurement of construction services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the construction services without further competitive selection processes.

- (3) Sole Source; Government. Construction services that are only available from a single source are exempt from this Rule. Construction services provided by governmental agencies are exempt from this Rule. This Rule shall not apply to the purchase of construction services, which may include goods, supplies, or materials, that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules. A contract for construction services is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process.
- (4) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
- (5) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board Meeting.
- (6) Exceptions. This Rule is inapplicable when:
 - (a) The project is undertaken as repair or maintenance of an existing public facility;
 - (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
 - (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contract; or
 - (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.6 Construction Contracts, Design-Build.

- (1) Scope. The District may utilize Design-Build Contracts for any public construction project for which the Board determines that use of such contract is in the best

interest of the District. When letting a Design-Build Contract, the District shall use the following procedure:

(2) Procedure.

- (a) The District shall utilize a Design Criteria Professional meeting the requirements of Section 287.055(2)(k) of the Florida Statutes, when developing a Design Criteria Package, evaluating the proposals and qualifications submitted by Design-Build Firms, and determining compliance of the project construction with the Design Criteria Package. The Design Criteria Professional may be an employee of the District, may be the District Engineer selected by the District pursuant to Section 287.055 of the Florida Statutes, or may be retained pursuant to Rule 3.1. The Design Criteria Professional is not eligible to render services under a Design-Build Contract executed pursuant to the Design Criteria Package.
- (b) A Design Criteria Package for the construction project shall be prepared and sealed by the Design Criteria Professional. If the project utilizes existing plans, the Design Criteria Professional shall create a Design Criteria Package by supplementing the plans with project specific requirements, if any.
- (c) The Board may either choose to award the Design-Build Contract pursuant to the competitive proposal selection process set forth in Section 287.055(9) of the Florida Statutes, or pursuant to the qualifications-based selection process pursuant to Rule 3.1.
 - (i) Qualifications-Based Selection. If the process set forth in Rule 3.1 is utilized, subsequent to competitive negotiations, a guaranteed maximum price and guaranteed completion date shall be established.
 - (ii) Competitive Proposal-Based Selection. If the competitive proposal selection process is utilized, the Board, in consultation with the Design Criteria Professional, shall establish the criteria, standards and procedures for the evaluation of Design-Build Proposals based on price, technical, and design aspects of the project, weighted for the project. After a Design Criteria Package and the standards and procedures for evaluation of proposals have been developed, competitive proposals from qualified firms shall be solicited pursuant to the design criteria by the following procedure:
 - 1. A Request for Proposals shall be advertised at least once in a newspaper of general circulation in the county in which the District is located. The notice shall allow at least twenty-one (21) days for submittal of sealed proposals, unless the Board,

for good cause, determines a shorter period of time is appropriate. Any project projected to cost more than five hundred thousand dollars (\$500,000) must be noticed at least thirty (30) days prior to the date for submittal of proposals.

2. The District may maintain lists of persons interested in receiving notices of Requests for Proposals. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
3. In order to be eligible to submit a proposal, a firm must, at the time of receipt of the proposals:
 - a. Hold the required applicable state professional licenses in good standing, as defined by Section 287.055(2)(h) of the Florida Statutes;
 - b. Hold all required applicable federal licenses in good standing, if any;
 - c. Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the proposer is a corporation;
 - d. Meet any special pre-qualification requirements set forth in the Request for Proposals and Design Criteria Package.

Any contractor that has been found guilty by a court of any violation of federal labor or employment tax laws regarding subjects including but not limited to reemployment assistance, safety, tax withholding, worker's compensation, unemployment tax, social security and Medicare tax, wage or hour, or prevailing rate laws within the past 5 years may be considered ineligible by the District to submit a bid, response, or proposal for a District project.

Evidence of compliance with these Rules must be submitted with the proposal if required by the District. Failure to

submit evidence of compliance when required may be grounds for rejection of the proposal.

4. The proposals, or the portions of which that include the price, shall be publicly opened at a meeting noticed in accordance with Rule 1.3, and at which at least one district representative is present. The name of each bidder and the price submitted in the bid shall be announced at such meeting and shall be made available upon request. Minutes should be taken at the meeting and maintained by the District. In consultation with the Design Criteria Professional, the Board shall evaluate the proposals received based on evaluation criteria and procedures established prior to the solicitation of proposals, including but not limited to qualifications, availability, and past work of the firms and the partners and members thereof. The Board shall then select no fewer than three (3) Design-Build Firms as the most qualified.
5. The Board shall have the right to reject all proposals if the proposals are too high, or rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of proposal preparation or submittal from the District.
6. If less than three (3) Responsive Proposals are received, the District may purchase design-build services or may reject the proposals for lack of competitiveness. If no Responsive Proposals are received, the District may proceed with the procurement of design-build services in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the design-build services without further competitive selection processes.
7. Notice of the rankings adopted by the Board, including the rejection of some or all proposals, shall be provided in writing to all consultants by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's rankings under this Rule shall be in accordance with the procedures set forth in Rule 3.11.

8. The Board shall negotiate a contract with the firm ranking the highest based on the evaluation standards and shall establish a price which the Board determines is fair, competitive and reasonable. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the second most qualified firm, based on the ranking by the evaluation standards. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the second most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. The Board shall then undertake negotiations with the third most qualified firm. Should the Board be unable to negotiate a satisfactory contract with the firm considered to be the third most qualified at a price considered by the Board to be fair, competitive, and reasonable, negotiations with that firm must be terminated. Should the Board be unable to negotiate a satisfactory contract with any of the selected firms, the Board shall select additional firms in order of their rankings based on the evaluation standards and continue negotiations until an agreement is reached or the list of firms is exhausted.
 9. After the Board contracts with a firm, the firm shall bring to the Board for approval, detailed working drawings of the project.
 10. The Design Criteria Professional shall evaluate the compliance of the detailed working drawings and project construction with the Design Criteria Package and shall provide the Board with a report of the same.
- (3) Contracts; Public Records. In accordance with Florida law, each contract entered into pursuant to this Rule shall include provisions required by law that require the contractor to comply with public records laws.
 - (4) Emergency Purchase. The Board may, in case of public emergency, declare an emergency and immediately proceed with negotiations with the best qualified Design-Build Firm available at the time. The fact that an Emergency Purchase has occurred shall be noted in the minutes of the next Board meeting.
 - (5) Exceptions. This Rule is inapplicable when:

- (a) The project is undertaken as repair or maintenance of an existing public facility;
- (b) The funding source of the project will be diminished or lost because the time required to competitively award the project after the funds become available exceeds the time within which the funding source must be spent;
- (c) The District has competitively awarded a project and the contractor has abandoned the project or the District has terminated the contractor; or
- (d) The District, after public notice, conducts a public meeting under Section 286.011 of the Florida Statutes, and finds by a majority vote of the Board that it is in the public's best interest to perform the project using its own services, employees, and equipment.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 119.0701, 189.053, 190.033, 255.0518, 255.0525, 255.20, 287.055, Fla. Stat.

Rule 3.7 Payment and Performance Bonds.

- (1) Scope. This Rule shall apply to contracts for the construction of a public building, for the prosecution and completion of a public work, or for repairs upon a public building or public work and shall be construed in addition to terms prescribed by any other Rule that may also apply to such contracts.

- (2) Required Bond. Upon entering into a contract for any of the services described in section (1) of this Rule in excess of \$200,000, the Board should require that the contractor, before commencing the work, execute and record a payment and performance bond in an amount equal to the contract price. Notwithstanding the terms of the contract or any other law, the District may not make payment to the contractor until the contractor has provided to the District a certified copy of the recorded bond.

- (3) Discretionary Bond. At the discretion of the Board, upon entering into a contract for any of the services described in section (1) of this Rule for an amount not exceeding \$200,000, the contractor may be exempted from executing a payment and performance bond.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: § 255.05, Fla. Stat.

Rule 3.8 Goods, Supplies, and Materials.

- (1) Purpose and Scope. All purchases of goods, supplies, or materials exceeding the amount provided in Section 287.017 of the Florida Statutes, for CATEGORY FOUR, shall be purchased under the terms of this Rule. Contracts for purchases of “goods, supplies, and materials” do not include printing, insurance, advertising, or legal notices. A contract involving goods, supplies, or materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.
- (2) Procedure. When a purchase of goods, supplies, or materials is within the scope of this Rule, the following procedures shall apply:
 - (a) The Board shall cause to be prepared an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.
 - (b) Notice of the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be advertised at least once in a newspaper of general circulation within the District and within the county in which the District is located. The notice shall also include the amount of the bid bond, if one is required. The notice shall allow at least seven (7) days for submittal of bids, proposals, replies, or responses.
 - (c) The District may maintain lists of persons interested in receiving notices of Invitations to Bid, Requests for Proposals, Invitations to Negotiate, or Competitive Solicitations. The District shall make a good faith effort to provide written notice, by electronic mail, United States Mail, hand delivery, or facsimile, to persons who provide their name and address to the District Manager for inclusion on the list. However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of goods, supplies, and materials, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, or responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:
 - (i) Hold all required applicable state professional licenses in good standing;
 - (ii) Hold all required applicable federal licenses in good standing, if any;

- (iii) Hold a current and active Florida corporate charter or be authorized to do business in the State of Florida in accordance with Chapter 607 of the Florida Statutes, if the vendor is a corporation; and
- (iv) Meet any special pre-qualification requirements set forth in the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation.

Evidence of compliance with these Rules must be submitted with the bid, proposal, reply or response if required by the District. Failure to submit evidence of compliance when required may be grounds for rejection of the bid, proposal, reply, or response.

Any firm or individual whose principal place of business is outside the State of Florida must also submit a written opinion of an attorney at law licensed to practice law in that foreign state, as to the preferences, if any or none, granted by the law of that foreign state to business entities whose principal places of business are in that foreign state, in the letting of any or all public contracts. Failure to submit such a written opinion or submission of a false or misleading written opinion may be grounds for rejection of the bid, proposal, reply, or response.

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and this Rule. Minor variations in the bids, proposals, replies, or responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid, after taking into account the preferences provided for in this subsection, submitted by a Responsive and Responsible Bidder in response to an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation shall be accepted. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which does not grant a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsive and Responsible Bidder whose principal place of business is in the State of

Florida shall be awarded a preference of five (5) percent. If the lowest Responsive Bid is submitted by a Responsive and Responsible Bidder whose principal place of business is located in a foreign state which grants a preference in competitive purchase to businesses whose principal place of business are in that foreign state, the lowest Responsible and Responsive Bidder whose principal place of business is in the State of Florida shall be awarded a preference equal to the preference granted by such foreign state.

To assure full understanding of the responsiveness to the solicitation requirements contained in an Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, and responses.

- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No vendor shall be entitled to recover any costs of bid, proposal, reply, or response preparation or submittal from the District.
 - (i) The Board may require bidders and proposers to furnish bid bonds, performance bonds, and/or other bonds with a responsible surety to be approved by the Board.
 - (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. The notice shall include the following statement: "Failure to file a protest within the time prescribed in Rule 3.11 of the Rules of the District shall constitute a waiver of proceedings under those Rules," or wording to that effect. Protests of the District's purchase of goods, supplies, and materials under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
 - (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase goods, supplies, or materials, or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of goods, supplies, and materials, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the goods, supplies, and materials without further competitive selection processes.
- (3) Goods, Supplies, and Materials included in a Construction Contract Awarded Pursuant to Rule 3.5 or 3.6. There may be occasions where the District has

undergone the competitive purchase of construction services which contract may include the provision of goods, supplies, or materials. In that instance, the District may approve a change order to the contract and directly purchase the goods, supplies, and materials. Such purchase of goods, supplies, and materials deducted from a competitively purchased construction contract shall be exempt from this Rule.

- (4) Exemption. Goods, supplies, and materials that are only available from a single source are exempt from this Rule. Goods, supplies, and materials provided by governmental agencies are exempt from this Rule. A contract for goods, supplies, or materials is exempt from this Rule if state or federal law prescribes with whom the District must contract or if the rate of payment is established during the appropriation process. This Rule shall not apply to the purchase of goods, supplies or materials that are purchased under a federal, state, or local government contract that has been competitively procured by such federal, state, or local government in a manner consistent with the material procurement requirements of these Rules.
- (5) Renewal. Contracts for the purchase of goods, supplies, and/or materials subject to this Rule may be renewed for a maximum period of five (5) years.
- (6) Emergency Purchases. The District may make an Emergency Purchase without complying with these rules. The fact that an Emergency Purchase has occurred or is necessary shall be noted in the minutes of the next Board meeting.

Specific Authority: §§ 190.011(5), 190.011(15), Fla. Stat.

Law Implemented: §§ 189.053, 190.033, 287.017, 287.084, Fla. Stat.

Rule 3.9 Maintenance Services.

A contract involving goods, supplies, and materials plus maintenance services may, in the discretion of the Board, be treated as a contract for maintenance services. However, a purchase shall not be divided solely in order to avoid the threshold bidding requirements.

However, failure of a person to receive the notice shall not invalidate any contract awarded in accordance with this Rule and shall not be a basis for a protest of any contract award.
 - (d) If the District has pre-qualified suppliers of maintenance services, then, at the option of the District, only those persons who have been pre-qualified will be eligible to submit bids, proposals, replies, and responses.
 - (e) In order to be eligible to submit a bid, proposal, reply, or response, a firm or individual must, at the time of receipt of the bids, proposals, replies, or responses:

- (f) Bids, proposals, replies, and responses shall be publicly opened at the time and place noted on the Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation. Bids, proposals, replies, and responses shall be evaluated in accordance with the respective Invitation to Bid, Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, and these Rules. Minor variations in the bids, proposals, replies, and responses may be waived by the Board. A variation is minor if waiver of the variation does not create a competitive advantage or disadvantage of a material nature. Mistakes in arithmetic extension of pricing may be corrected by the Board. Bids and proposals may not be modified or supplemented after opening; provided however, additional information may be requested and/or provided to evidence compliance, make non-material modifications, clarifications, or supplementations, and as otherwise permitted by Florida law.
- (g) The lowest Responsive Bid submitted in response to an Invitation to Bid by a Responsive and Responsible Bidder shall be accepted. In relation to a Request for Proposals, Invitation to Negotiate or Competitive Solicitation the Board shall select the Responsive Proposal, Reply, or Response submitted by a Responsive and Responsible Vendor which is most advantageous to the District. To assure full understanding of the responsiveness to the solicitation requirements contained in a Request for Proposals, Invitation to Negotiate, or Competitive Solicitation, discussions may be conducted with qualified vendors. Vendors shall be accorded fair treatment prior to the submittal date with respect to any opportunity for discussion, preparation, and revision of bids, proposals, replies, or responses.
- (h) The Board shall have the right to reject all bids, proposals, replies, or responses because they exceed the amount of funds budgeted for the purchase, if there are not enough to be competitive, or if rejection is determined to be in the best interest of the District. No Vendor shall be

 - (j) Notice of intent to award, including rejection of some or all bids, proposals, replies, or responses shall be provided in writing to all vendors by United States Mail, hand delivery, facsimile, or overnight delivery service. Protests of the District's procurement of maintenance services under this Rule shall be in accordance with the procedures set forth in Rule 3.11.
 - (k) If less than three (3) Responsive Bids, Proposals, Replies, or Responses are received, the District may purchase the maintenance services or may reject the bids, proposals, replies, or responses for a lack of competitiveness. If no Responsive Bid, Proposal, Reply, or Response is received, the District may proceed with the procurement of maintenance services, in the manner the Board determines is in the best interests of the District, which may include but is not limited to a direct purchase of the maintenance services without further competitive selection processes.
- (3) Exemptions. Maintenance services that are only available from a single source are exempt from this Rule. Maintenance services provided by governmental agencies are exempt from this Rule. Failure to file a notice of protest shall constitute a waiver of all rights to protest the District's ranking or intended award. Failure to file a formal written protest shall constitute an abandonment of the protest proceedings and shall automatically terminate the protest proceedings.
- (c) If the requirement for the posting of a protest bond and the amount of the protest bond, which may be expressed by a percentage of the contract to be awarded or a set amount, is disclosed in the District's competitive solicitation documents for a particular purchase under Rules 3.1, 3.2, 3.3,

3.4, 3.5, 3.6, 3.8, or 3.9, any person who files a notice of protest must post the protest bond. The amount of the protest bond shall be determined by District staff after consultation with the Board and within the limits, if any, imposed by Florida law. In the event the protest is successful, the protest bond shall be refunded to the protestor. In the event the protest is unsuccessful, the protest bond shall be applied towards the District's costs, expenses, and attorney's fees associated with hearing and defending the protest. In the event the protest is settled by mutual agreement of the parties, the protest bond shall be distributed as agreed to by the District and protestor.

- (d) The District does not accept documents filed by electronic mail or facsimile transmission. Filings are only accepted during normal business hours.
- (2) Contract Execution. Upon receipt of a notice of protest which has been timely filed, the District shall not execute the contract under protest until the subject of the protest is resolved. However, if the District sets forth in writing particular facts and circumstances showing that delay incident to protest proceedings will jeopardize the funding for the project, will materially increase the cost of the project, or will create an immediate and serious danger to the public health, safety, or welfare, the contract may be executed.
 - (3) Informal Proceeding. If the Board determines a protest does not involve a disputed issue of material fact, the Board may, but is not obligated to, schedule an informal proceeding to consider the protest. Such informal proceeding shall be at a time and place determined by the Board. Notice of such proceeding shall be sent via facsimile, United States Mail, or hand delivery to the protestor and any substantially affected persons or parties not less than three (3) calendar days prior to such informal proceeding. Within thirty (30) calendar days following the informal proceeding, the Board shall issue a written decision setting forth the factual, legal, and policy grounds for its decision.
 - (4) Formal Proceeding. If the Board determines a protest involves disputed issues of material fact or if the Board elects not to use the informal proceeding process provided for in section (3) of this Rule, the District shall schedule a formal hearing to resolve the protest. The Chairperson shall designate any member of the Board (including the Chairperson), District Manager, District Counsel, or other person as a hearing officer to conduct the hearing. The hearing officer may:
 - (a) Administer oaths and affirmations;
 - (b) Rule upon offers of proof and receive relevant evidence;
 - (c) Regulate the course of the hearing, including any pre-hearing matters;
 - (d) Enter orders; and

- (e) Make or receive offers of settlement, stipulation, and adjustment.

The hearing officer shall, within thirty (30) days after the hearing or receipt of the hearing transcript, whichever is later, file a recommended order which shall include a caption, time and place of hearing, appearances entered at the hearing, statement of the issues, findings of fact and conclusions of law, separately stated, and a recommendation for final District action. The District shall allow each party fifteen (15) days in which to submit written exceptions to the recommended order. The District shall issue a final order within sixty (60) days after the filing of the recommended order.

- (5) Intervenors. Other substantially affected persons may join the proceedings as intervenors on appropriate terms which shall not unduly delay the proceedings.
- (6) Rejection of all Qualifications, Bids, Proposals, Replies and Responses after Receipt of Notice of Protest. If the Board determines there was a violation of law, defect, or an irregularity in the competitive solicitation process, the Bids, Proposals, Replies, and Responses are too high, or if the Board determines it is otherwise in the District's best interest, the Board may reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew. If the Board decides to reject all qualifications, bids, proposals, replies, and responses and start the competitive solicitation process anew, any pending protests shall automatically terminate.
- (7) Settlement. Nothing herein shall preclude the settlement of any protest under this Rule at any time.

MARION RANCH COMMUNITY DEVELOPMENT DISTRICT
FOR THE ELECTION OF SUPERVISORS**

DATE OF LANDOWNERS' MEETING: **November 3, 2026**

TIME: ___:___ __.m.

LOCATION: _____

Pursuant to Chapter 190, Florida Statutes, and after a Community Development District ("**District**") has been established and the landowners have held their initial election, there shall be a subsequent landowners' meeting for the purpose of electing members of the Board of Supervisors ("**Board**") every two years until the District qualifies to have its board members elected by the qualified electors of the District. The following instructions on how all landowners may participate in the election are intended to comply with Section 190.006(2)(b), Florida Statutes.

A landowner may vote in person at the landowners' meeting, or the landowner may nominate a proxy holder to vote at the meeting in place of the landowner. Whether in person or by proxy, each landowner shall be entitled to cast one vote per acre of land owned by him or her and located within the District, for each position on the Board that is open for election for the upcoming term. A fraction of an acre shall be treated as one (1) acre, entitling the landowner to one vote with respect thereto. Please note that a particular parcel of real property is entitled to only one vote for each eligible acre of land or fraction thereof; therefore, two or more people who own real property in common, that is one acre or less, are together entitled to only one vote for that real property.

At the landowners' meeting, the first step is to elect a chair for the meeting, who may be any person present at the meeting. The landowners shall also elect a secretary for the meeting who may be any person present at the meeting. The secretary shall be responsible for the minutes of the meeting. The chair shall conduct the nominations and the voting. If the chair is a landowner or proxy holder of a landowner, he or she may nominate candidates and make and second motions. Candidates must be nominated and then shall be elected by a vote of the landowners. Nominees may be elected only to a position on the Board that is open for election for the upcoming term.

This year, three (3) seats on the Board will be up for election by landowners. The two candidates receiving the highest number of votes shall be elected for a term of four (4) years. The candidate receiving the next highest number of votes shall be elected for a term of two (2) years. The term of office for each successful candidate shall commence upon election.

A proxy is available upon request. To be valid, each proxy must be signed by one of the legal owners of the property for which the vote is cast and must contain the typed or printed name of the individual who signed the proxy; the street address, legal description of the property or tax parcel identification number; and the number of authorized votes. If the proxy authorizes more than one vote, each property must be listed and the number of acres of each property must be included. The signature on a proxy does not need to be notarized.

Mr. Ward: You have 85 qualified electors in your District. This becomes significant when you reach two thresholds, one is 250 qualified electors, and the other is six years from the date of establishment. It will be 2030 before you hit that transition time period, so even if you hit the 250 qualified electors' threshold, you will not begin the transition until after 2030. Only other item I have for you is the performance measures and standards.

187 They are the same as what you saw in the prior year. I will answer any questions you
188 have, but otherwise it's recommended for your consideration.

196 sure you get that done. You just need one for multiple CDDs if you serve on more than
197 one CDD. On the ethics website you will see all of your CDDs. The other thing, you have
198 to do your ethics training every year, so you have to do it again this year. My staff will set
